**Counseling Today** Darcy Granello, Mark E. Young, 2012-04 ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- This innovative entrant into the foundations of counseling market meets the current generation of counseling students in the way they learn best-through meaningful pedagogical features and research-based content. Through its distinctive features, this text provides opportunities for students to reflect on what they are learning and explore independently through this process of reflection. The authors believe in the development of practitioners who learn through examining controversy, staying abreast of current research, and challenging their own thinking. Such practices will provide students with tools that will ultimately help them develop their professional identities.

**Introduction to the Counseling Profession** David Capuzzi, Douglas R. Gross, 2017-06-26 Designed for students who are taking a preliminary course in the counseling field, Introduction to the Counseling Profession, 7th Edition, provides a comprehensive overview of the history and foundational concepts of counseling, offering the most current and relevant breadth of coverage available from experts in their respective fields. This edition includes topics rarely discussed in introductory texts, such as self-care and self-growth and the use of technology in counseling, as well as a new chapter on crisis counseling. Chapters also reflect updates to the 2016 Council for the Accreditation of Counseling and Related Educational Programs (CACREP) standards, and a chapter on each CACREP specialization is included. Students will gain insight into the myriad issues that surround not only the process of counseling and its many populations but also the personal dynamics that have an impact on this process. Furthermore, a collection of supplemental resources is available online to benefit both instructors and students. Instructors will find PowerPoint slides and test banks to aid in conducting their courses, and students can access chapter summaries, exercises, and other tools to supplement their review of the material in the text.

**Social Justice and Advocacy in Counseling** Mark Pope, Mariaimeé Gonzalez, 2019 Social Justice and Advocacy in Counseling provides a thorough and up to date grounding in social justice and advocacy for counseling students and faculty. Chapters address issues of discrimination and oppression and their effect on individuals and cultural groups through a variety of activities and handouts related to each of the eight CACREP core standards. The book's final section focuses on activities and handouts related to counseling specialties, including school, career, and addictions counseling. This book will help counselor educators increase student awareness, knowledge, and skills. For students, the practical activities bring the concept of social justice alive in important ways and will continue to be a handy reference as they develop their careers and promote access and equity.

*Counseling as a Profession* Nicholas A. Vacc, Larry C. Loesch, 1987 This book was written to provide a professional resource which describes comprehensively what a professional counselor is, what a professional counselor does, and where and when a professional counselor works. The first chapter presents a perspective on professional counseling and differentiates between professional counselors and other mental health specialists. Assumptions about professional counselors are discussed and the professional counselor is seen as a practitioner-scientist. The evolution of the counseling profession is reviewed in chapter 2 and the present-day counseling profession is described. The third chapter focuses on the professional preparation of counselors, defining issues in counselor preparation, and examining standards of preparation and accreditation. Chapter 4 reviews various theoretical models of counseling (psychoanalytic, client/person-centered, behavioral, cognitive, and affective models) and looks at counseling theory and practice. Chapters 5, 6, and 7 examine assessment and measurement, career development and counseling, and consultation, respectively. Chapter 8 focuses on research in professional counseling, providing suggestions for research designs, selection of variables and subjects, and statistical analyses. Chapter 9 examines trends in professional counseling, describing trends in both settings where professional counselors work and clientele with whom counselors work. Professionalism in counseling is the focus of chapter 10, which is followed by the Code of Ethics adapted from the Ethical Standards of the American Personnel and Guidance Association. (NB)

*Strengthening School Counselor Advocacy and Practice for Important Populations and Difficult Topics* Rausch, Meredith A., Gallo, Laura L., 2021-01-29 School counselors often struggle to feel confident in delivering effective assistance to students due to a variety of reasons that currently do not have enough research or information developed. This leads to a struggle for counselors to adequately address tough and relevant issues. With these issues remaining unaddressed, or addressed less effectively, there is a concern that school counselors cannot mitigate these issues due to not being adequately informed. This can lead to a lifetime of consequences for students. *Strengthening School Counselor Advocacy and Practice for Important Populations and Difficult Topics* presents emerging research that seek to answer the tough and often unaddressed questions, target present-day issues of student populations, and prepare school counselors to feel confident and competent in their counseling and advocacy practice. These chapters, using the newest information available, will address these concerns and provide the best counseling work possible for underserved populations. While covering research on counseling for students with chronic illnesses, mixed-statuses, family issues, minority students, LGBTQ+ youth, and more, this book is ideal for

school counselors, counseling educators, practitioners, stakeholders, researchers, academicians, and students who are interested in school counseling and meeting the needs of diverse and important populations of students.
