**Patrick Vollmar**

*Master the Case Worker Exam* Peterson's, 2010-09-28 Job opportunities for case workers and social workers are expected to grow far more rapidly than the average over the next several years. Peterson's Master the Case Worker Exam can help you earn a great exam score and launch your career as a case worker, with all-new information on job requirements and application procedures, Seven full-length practice tests, and expert advice on how to seek and apply for positions in the field. Selling Points: Seven full-length practice tests with detailed answer explanations, including a diagnostic exam to help test takers determine their strengths and weaknesses The latest data on job prospects for case workers and social workers, with emphasis on areas expected to experience the highest growth, including gerontology; private agencies and practices; and child, family and school social work In-depth reviews of every test section, from housing and social welfare to the investigative process Comprehensive glossary of important case worker terms.

**Supervising Child Protective Services Caseworkers** Thomas D. Morton, Marsha K. Salus, 1994 Provides the foundation for supervisory practice in Child Protective Services (CPS). It describes the roles & responsibilities of the CPS supervisor, & provides practice-oriented advice on how to carry out supervisory responsibilities. Designed for CPS supervisors & administrators, but it also may be helpful to child welfare agency staff who provide training for supervisory personnel & to schools of social work as they prepare new social workers for the child welfare field. Also includes a glossary of terms & a bibliography.

*Child Protective Services* Diane DePanfilis, 2003 From the Preface: This manual, *Child Protective Services: A Guide for Caseworkers*, examines the roles and responsibilities of child protective services (CPS) workers, who are at the forefront of every community's child protection efforts. The manual describes the basic stages of the CPS process and the steps necessary to accomplish each stage: intake, initial assessment or investigation, family assessment, case planning, service provision, evaluation of family progress, and case closure. Best practices and critical issues in casework practice are underscored throughout. The primary audience for this manual includes CPS caseworkers, supervisors, and administrators. State and local CPS agency trainers may use the manual for preservice or inservice training of CPS caseworkers, while schools of social work may add it to class reading lists to orient students to the field of child protection. In addition, other professionals and concerned community members may consult the manual for a greater understanding of the child protection

process. This manual builds on the information presented in *A Coordinated Response to Child Abuse and Neglect: The Foundation for Practice*. Readers are encouraged to begin with that manual as it addresses important information on which CPS practice is based-including definitions of child maltreatment, risk factors, consequences, and the Federal and State basis for intervention. Some manuals in the series also may be of interest in understanding the roles of other professional groups in responding to child abuse and neglect, including: Substance abuse treatment providers; Domestic violence victim advocates; Educators; Law enforcement personnel. Other manuals address special issues, such as building partnerships and working with the courts on CPS cases.

*The Strengths Perspective in Social Work Practice* Dennis Saleebey,2013 A conceptual and practical presentation of the strengths perspective in social work. Part of the Advancing Core Competencies Series, a unique series that helps students taking advanced social work courses apply CSWE's core competencies and practice behaviours examples to specialised fields of practice. The Strengths Perspective in Social Work Practice, 6th edition, presents both conceptual and practical elements of the strengths perspective - from learning about and practicing the strengths perspective to using the strengths perspective with older adults, the chronically ill, and substance abusers. Many of the chapters address recent events -from the tragic shooting in Tucson to the uprisings in the Middle East. Each chapter begins with a section from an expert in the field. A better teaching and learning experience This program will provide a better teaching and learning experience--for you and your students. Here's how: Improve Critical Thinking - Each chapter contains four critical thinking questions and two short essay questions that require the reader to apply key concepts. Engage Students - Extensive case examples keep students interested and help them see a connection between theory and practice. Explore Current Issues - Three new chapters have been added to reflect the most current knowledge in the field. Apply CSWE Core Competencies - The text integrates the 2008 CSWE EPAS, with critical thinking questions and practice tests to assess student understanding and development of

competencies and practice behaviours.

**The Skills of Helping Individuals, Families, Groups, and Communities** Lawrence Shulman, 2008-02-11 Lawrence Shulman's THE SKILLS OF HELPING INDIVIDUALS, FAMILIES, GROUPS, AND COMMUNITIES WITH CD, 6e, demonstrates how common elements, core processes, and skills exist across all stages of helping and throughout work with all populations-including individuals, families, groups, and communities. It defines, illustrates, and teaches helping skills and provides manageable models for understanding them. The text also looks at the underlying process and its associated set of core skills. Two CD-ROMS accompany the text and are designed to enhance students' learning experience. THE INTERACTIVE SKILLS OF HELPING CD-ROM and WORKSHOP CD-ROM FOR THE SKILLS OF HELPING illustrate the text's core skills and feature video excerpts of an interactive workshop led by Dr. Shulman. Examples depict social workers in action and directly connect theory and research to the realities of working with clients.
