**The Scribe's Family** Donald A. Jacobson,1997 An historical novel of unprecedented scope, a family saga encompassing ten Golden Ages, spanning 5000 years, from ancient Mesopotamia to Elizabethan England. During the intervening Golden Ages, The Scribe's Family struggles with life's often quirky challenges in Egypt, Crete, Jerusalem, Athens, Rome, Constantinople, Paris and Florence. Imagine a play in which the stage setting changes between acts, from one Golden Age to another, while the characters remain the same, the story a continuous drama. Such is The Scribe's Family, a saga that dramatizes the unchanging character of human nature. The passions that engulfed ordinary people five thousand years ago still do.--Publisher's description.

(In)Humaine - II Clara Vincendon,2022-09-18 Enchaînée au Sanctuaire, Astree est de retour entre les griffes des scientifiques. Elle puise son réconfort dans la présence de Priam, devenu Confrère. Au cours de ses expériences, Astree fait la connaissance de quatre autres sujets aux capacités exceptionnelles. Ensemble, ils forment les « Inestimables » : la première génération d’humains génétiquement modifiés qui sonne le gong de la conquête de l’Espace. Mais en coulisse, la révolte gronde... Des contestataires sont prêts à tout pour renverser le régime et modifier le destin de l’humanité. Séduit par leur discours, Priam les rejoint malgré les mises en garde d’Astree. Ces dissidents sont-ils les anges du salut ou bien les détracteurs d’un dangereux conflit qui plongera le monde dans le chaos ?

**The Institutional Dictionary of Astronism** Cometan,2021-03-21 The Institutional Dictionary of Astronism is the cumulation of receptions between Cometan and the astronomical world during the Founding era (2013-2021). The publication of this very first full-length Institutional Dictionary of Astronism represents eight years of the development of Astronism from its inception to how it stands today in 2021. The publication of this dictionary also encapsulates Astronism exactly as it exists now and how Cometan conceives it by the end of the Founding era. This dictionary and its contents capture what Astronism is now for posterity to look back on how this astronomical belief system will change as time progresses. Many of the words and definitions of this dictionary will alter as we enter the Establishment era and Astronism continues its progression in becoming world religion. However, what will not ever change is Cometan's absolute devotion to the stars of the night sky and his discovery of their secrets through his receptions, personal inspirations, and his overall relationship with The Great Cosmos. Covering all the major Astronist beliefs, practices, cultural elements, theories, branches of study, and historical events, A Dictionary of Astronism, also known as the Institutional Dictionary of Astronism, is published by the Astronist Institution through its subsidiary, Astral Publishing, to commemorate the end of the era of The Founding of Astronism. The Founding of Astronism began exactly eight years on 1st July 2013 which sparked Cometan's ideations and indrucies and which afforded him the insight, knowledge, and vision to found a new religious movement, philosophy, spirituality and political ideology. As The Founding of Astronism, also simply known as the Founding era, comes to an end, the Astronist Institution wants to acknowledge the fundamental importance of this year period of the history of Astronism and to the wider history of religion, philosophy and spirituality as a whole. The Dictionary of Astronism immortalises that commemorative spirit by providing thousands of definition entries of Astronist terms that have been authorised by Astronist Institution scholars for dissemination worldwide. This dictionary captures the most up-to-date understanding of what Astronism is and how it as a whole and its component parts should be defined. Enjoy this dictionary that emblematises Astronism and how this new religion has so far developed.
