

Almost Home My Life Story Damien Echols

Damien Echols, Lorri Davis

Life After Death Damien Echols, 2013-07-24 The true story of the wrongful conviction of the infamous West Memphis Three, *Life After Death* is a powerful and unflinching first-person account of life on death row. In 1993 three teenagers, Damien Echols, Jason Baldwin and Jessie Miskelley Jr, were arrested and charged with the murders of three eight-year-old boys in West Memphis, Arkansas. The ensuing trial was rife with inconsistencies, false testimony and superstition. Echols was accused of, among other things, practising witchcraft and satanic rituals — a result of the 'satanic panic' prevalent in the media at the time. Baldwin and Miskelley were sentenced to life in prison. Echols, deemed the ringleader, was sentenced to death. He was eighteen years old. In a shocking reversal of events, all three were suddenly released in August 2011. This is Damien Echols' story in full: from abuses by prison guards and wardens, to descriptions of inmates and deplorable living conditions, to the incredible reserves of patience, spirituality, and perseverance that kept him alive and sane for nearly two decades. Echols also writes about his complicated and painful childhood. Like *Dead Man Walking*, *Life After Death* is destined to be a classic. *West of Memphis*, a documentary produced by Peter Jackson (director of the *Lord of the Rings* trilogy) and Fran Walsh, details the campaign to have their sentences overturned. The West Memphis Three are also the subject of *Paradise Lost*, a three-part documentary series produced by HBO.

Almost Home Damien Echols, 2005-06 *Almost Home* is a message to you from a faraway place. It is a message from a 12-foot by 9-foot cell in a cinderblock building surrounded by coils of razor wire in the middle of a dirt field in Arkansas. It was written by a young man named Damien Echols and it chronicles his life and his experiences in a way that clearly illuminates him, not as a monster, but as a human being. For over 10 years Damien has been an inmate on death row for a crime he did not commit. He, along with Jason Baldwin and Jessie Miskelley have become known as The West Memphis Three, and though the story of their arrest and conviction is widely known, most people don't know the real people behind the sound bites and the TV news segment clips. Damien has spent much of his time behind bars diligently maintaining his integrity and his sanity by writing. *Almost Home* is the product of that self-discipline, and in it you will meet someone who has survived an ordeal many of us would find impossible to live through. There are a few who still believe that Damien is a devil-worshipping child killer, but as time passes and more facts rise to the surface, it becomes even more clear that he is the victim of a peculiar species of hysteria. Read this book and know the truth about him. It is an urgent message from death row; the whole

story of who Damien Echols really is.

Yours for Eternity Damien Echols, Lorri Davis, 2014-06-17 New York Times bestselling author Damien Echols and his wife Lorri Davis reveal their intimate and affecting letters, written while Echols was wrongfully imprisoned on death row. An explosive bestseller, *Life After Death* turned a national spotlight on Damien Echols, who was just eighteen when he was wrongly condemned to death. But one of the most remarkable parts of his story still remained untold. After seeing a documentary about the “West Memphis Three,” Lorri Davis—a New York-based landscape architect—wrote him a letter, beginning a thirteen-year correspondence that witnessed their marriage while Echols was still on death row and culminated in Echols’ release in 2011. Sharing their private letters, *Yours for Eternity* is a must-read for the legions who followed the case as well as anyone who appreciates an extraordinary love story.

High Magick Damien Echols, 2018-10-30 “Magick is not a path for followers; it is a path for questioners, seekers, and anyone who has trouble settling for dogma and pre-formulated answers. Magick is for those who feel the desire to peel away the surface of reality and see what lies beneath. Like various persecuted forms of mysticism, magick promotes direct contact with the source of creation.” —Damien Echols *Discover a Powerful Practice for Transforming Yourself and Your Reality* At age 18, Damien Echols was sentenced to death for a crime he didn’t commit. “I spent my years in prison training to be a true magician,” he recalls. “I used magick—the practice of reshaping reality through our intention and will—to stave off incredible pain, despair, and isolation. Untying the Knot Greg Day, 2012 On May 5, 1993, second-graders Christopher Byers, Stevie Branch, and Michael Moore disappeared from their West Memphis, Arkansas, homes. The following afternoon, their nude, beaten, and bound bodies were discovered in a drainage ditch less than a mile away. After a troublesome confession, three local teenagers, later dubbed the West Memphis Three, were arrested, tried, and convicted in early 1994. Jason Baldwin and Jessie Misskelley received life sentences, while ringleader Damien Echols went to death row. Three years later, the documentary film *Paradise Lost* premiered on HBO, and the effect on viewers was dramatic. Many became skeptical of the verdicts and also felt one of the fathers of the victims was a better suspect—John Mark Byers. In *Untying the Knot*, author Greg Day tells the true story of John Mark Byers and the about-face he made to free the men convicted of the crime. Day exposes the propaganda campaign used to convince a gullible public that Byers was complicit in the deaths of his wife and son. Based on court transcripts and hours of personal interviews, *Untying the Knot* explores all the case evidence while interweaving dialogues and statements. It traces the life of Byers from his roots in rural Arkansas, to his son's murder and the death of his wife, to his ultimate imprisonment in 1999. It reveals a man redeemed by prison and whose change of heart changed his life. Day has captured the essence of a towering personality engulfed by an impossible situation. John Mark Byers is an immensely complex character, and *Untying the Knot* pulls no punches in revealing the man in all his seeming contradictions. —John Douglas, *Mindhunter*

Savage Appetites Rachel Monroe, 2020-07-07 A “necessary and brilliant” (NPR) exploration of our cultural fascination with true crime told through four “enthraling” (The New York Times Book Review) narratives of obsession. In *Savage Appetites*, Rachel Monroe links four criminal roles—Detective, Victim, Defender, and Killer—to four true stories about women driven by obsession. From a frustrated and brilliant heiress crafting crime-scene dollhouses to a young woman who became part of a Manson victim's family, from a landscape architect in love with a convicted murderer to a Columbine fangirl who

planned her own mass shooting, these women are alternately mesmerizing, horrifying, and sympathetic. A revealing study of women's complicated relationship with true crime and the fear and desire it can inspire, together these stories provide a window into why many women are drawn to crime narratives—even as they also recoil from them. Monroe uses these four cases to trace the history of American crime through the growth of forensic science, the evolving role of victims, the Satanic Panic, the rise of online detectives, and the long shadow of the Columbine shooting. Combining personal narrative, reportage, and a sociological examination of violence and media in the 20th and 21st centuries, *Savage Appetites* is a “corrective to the genre it interrogates” (The New Statesman), scrupulously exploring empathy, justice, and the persistent appeal of crime.

Abomination: Devil Worship and Deception in the West Memphis Three Murders William Ramsey, 2013-12-06

Abomination: Devil Worship and Deception in the West Memphis Three Murders provides a detailed, time-lined analysis of the murder that shocked the nation: the heinous killing of three eight year old boys in West Memphis, Arkansas on May 5th, 1993. A wall of deception has led the American public to erroneously believe that the three men were falsely accused and convicted for the crime. Unfortunately, this is not true. William Ramsey, author of *Prophet of Evil: Aleister Crowley, 9/11 and the New World Order*, provides shocking insights into the lives of the convicted murderers and their involvement with witchcraft. Relying on actual court and police records, William Ramsey shows that the evidence abundantly points to the guilt of the West Memphis Three.

Dark Spell Mara Leveritt, Charles Jason Baldwin, 2014 Jason's story illuminates the many ways America's justice system can go wrong and fight-often with a vengeance-to sustain that wrong. It celebrates the ordinary heroes who rose up, using art and new technology to challenge trials they saw as mockeries of justice--P. [4] of cover.

The Blood of Innocents Guy Reel, Marc Perrusquia, Bartholomew Sullivan, 2000-03-01 Recounts the events surrounding the 1993 murders of three boys in West Memphis, Arkansas, and the trials of the three teens who were convicted of the crime.

A Wilderness of Error Errol Morris, 2014-01-22 Soon to be an FX Docuseries from Emmy® Award-Winning Producer Marc Smerling (The Jinx) featuring the author Errol Morris! Academy Award-winning filmmaker Errol Morris examines one of the most notorious and mysterious murder trials of the twentieth century In this profoundly original meditation on truth and the justice system, Errol Morris—a former private detective and director of *The Thin Blue Line*—delves deeply into the infamous Jeffrey MacDonald murder case. MacDonald, whose pregnant wife and two young daughters were brutally murdered in 1970, was convicted of the killings in 1979 and remains in prison today. The culmination of an investigation spanning over twenty years and a masterly reinvention of the true-crime thriller, *A Wilderness of Error* is a shocking book because it shows that everything we have been told about the case is deeply unreliable and that crucial elements of case against MacDonald are

simply not true.

Blood on Black Gary Meece, 2017-03-26 They did it. The West Memphis 3 are guilty. They are guilty despite what the documentaries, books and news stories have said over and over. Guilty beyond a reasonable doubt. Damien Echols, Jason Baldwin and Jessie Misskelley Jr. killed three 8-year-olds, Christopher Byers, Michael Moore and Stevie Branch, on May 5, 1993, in a wooded area in West Memphis, Ark. The murders were thrill kills, according to Echols himself. But they were much more than that. Police were struck by the ritualistic aspects. Local dabblers in the occult immediately came under

suspicion. Under questioning, Echols, already acknowledged as a witch, flaunted his knowledge of the occult, his theories of how the killings could have magickal implications and his insights into how the killer would think and feel. He demonstrated special knowledge about the case beyond the little publicly known. He gave out signals that he was a prime suspect; a series of witnesses further implicated him. A confession broke open the case. The widely accepted WM3 storyline is that inept police and prosecutors, with a howling mob of religious fanatics to placate, somewhat arbitrarily picked out three innocent boys to blame for horrific murders because Damien and his best pal Jason wore black T-shirts, listened to heavy metal music and had funny haircuts and because the third boy, Little Jessie, was practically retarded and thus easily manipulated. Almost every element in that storyline has little relation to reality. The weirdness that drew the attention of authorities stemmed from bad choices by the suspects rather than clothing, haircuts or rocking out to Megadeth. The West Memphis police did their duty in a diligent if imperfect manner. The investigation was professional and painstaking. Detectives took many statements, followed strange and unpromising leads and administered the polygraph dozens of times. All three of the teens from the trailer parks were convicted. The convictions held up on appeal. Eventually, thanks to Hollywood celebrities and misleading documentaries that left out crucial evidence, the killers who became the West Memphis 3 walked free. No exonerating evidence, despite many years of investigation and a defense fund in the millions of dollars, has been produced. None of the three has a credible alibi. The mainstream media bought into the premise that those boys were innocent. By putting the focus on mullet-headed rednecks, drawling overweight cops and righteously angry Christians, the media played upon the most egregious stereotypes of Southern whites, while positioning a murdering sociopath as a hip kid who was just too cool for the uptight hometown idiots. The West Memphis 3 myth was made to order for the familiar narrative of the perceptive young outsider that every hipster and aspiring artist imagines himself to have been. Among the sensitive souls who found a doppelganger of their teen selves in Echols were professional outsiders - such as Johnny Depp and Henry Rollins. In Aleister Crowley's magickal system, which Echols embraced in his preteen years, orgasm and ecstasy are equated with death and sacrifice and the sexual fluids are often represented as blood or water. Echols felt he was in transition to a state of being a god, something other than human; he believed that drinking blood invested him with spiritual energy. Echols and blood brother Jason formed a pathological dyad, cultivating elaborate violent fantasies. Via the ritual torture, killing and eating of dogs, cats and other animals, they educated themselves in the curriculum of occult murder. The lurking allure of a thrill kill finally became irresistible when the killing time coincided with sunset, the rise of a full moon and the pagan holiday of Beltane.

In Case We Die Danny Bland, 2013-09-07 Danny Bland's fictional prose novel about a doomed junkie couple is given depth by his first hand experiences in the '90s grunge rock scene. "It wasn't the pounding headache or the all too familiar taste of blood in my mouth that woke me that morning, but the stink of cat piss. They all have cats. Cats and bad tattoos and mops of

dyed black hair that reek of cigarettes and watermelon Bubblicious.” This debut novel by veteran Seattle musician Danny Bland follows a pair of outsiders who find themselves locked in the palpable, dizzy grunge-rock scene of early-'90s Seattle. Vulnerable to the high relief of heroin addiction, Bland’s characters — Charlie Hyatt and Carrie Finch — are unapologetic protagonists whose epiphanies are as blinding as their weaknesses. Finch, 21, beautiful and dangerous, drowns out the voices in her head and the consequences of a misled life with electric guitars, booze and petulant misbehavior. Her single abiding faith takes the form of an unlikely savior — '60s psychedelic musician Roky Erikson. At the ripe old age of 28, Hyatt attempts to make sense of the cards he has been dealt: a miserable job in a porn shop, a drug habit he cannot afford and the wildly unstable woman he had chosen to love. Two damaged people can balance a seesaw for a long time, even finding the illusion of safety; but when one gets off unannounced, the other will fall. As Finch finds sobriety, her sanity and her relationship with Hyatt falter until an inevitable event brings the two back together a decade later.

Where the Monsters Go Gary Meece, 2017-03-21 There is the myth of the West Memphis 3 -- innocent teenagers railroaded by malicious police and prosecutors into murder convictions because of the way they dressed and the music they listened to, there being no evidence against them except the prejudices of Southern white Christians. And then there is the reality --- three criminally inclined young thugs involved in occultism who gleefully tortured three 8-year-old boys and then brought the justice system down upon them based on multiple factors, including a series of confessions, failed lie detector tests, failed alibis, eyewitness sightings and a history of violence. The second volume in this series, following -Blood on Black, - continues to examine the evidence against Jessie Misskelley Jr., Jason Baldwin and Damien Echols in the murders of Christopher Byers, Michael Moore and Stevie Branch on May 5, 1993. Misskelley, Baldwin and Echols met up that afternoon just outside Lakeshore Estates Trailer Park, according to the multiple confessions of Misskelley. Echols and Baldwin were drinking beer. The plan was to go to West Memphis and beat up some boys. They walked about two miles into woods known as Robin Hood or Robin Hood Hills. Echols knew the woods well, having lived in the nearby Mayfair Apartments, frequently walking through the area as a shortcut between his home in West Memphis and his friends in the trailer parks and having been spotted in the woods recently by an acquaintance. Michael, Stevie and Christopher Byers, all second graders at Weaver Elementary School, lived south of the woods and visited the woods frequently to play. That afternoon they were spotted heading toward Robin Hood around 6, close to the time their killers entered from the north. When Echols heard the children approaching, he began making sounds to lure them in, while Misskelley and Baldwin hid. Then, according to the confessions of Misskelley, and indicated by the blood patterns at the scene and other evidence, the teens jumped the 8-year-olds, beat them viciously, stripped them of their clothes, mutilated Stevie's face, castrated Christopher, sexually molested them, hogtied them and dumped them in a muddy ditch, where Michael and Stevie drowned. Christopher already had bled out from his wounds. Misskelley quickly left the scene, which was scrupulously cleaned up. Echols was spotted walking along the service

road near the crime scene later that evening in muddy clothes. After frantic parents sparked an extensive search for the missing children, their bodies were discovered the next afternoon by law enforcement officers. Tales of strange rituals held in the woods by mysterious strangers spread quickly among the crowd gathered near the crime scene. As detectives and other officers gathered information and talked to witnesses or potential suspects, Echols quickly drew the scrutiny of officers. Besides the talk among the boys' neighbors, the ritualistic aspects of the murder -- including the way the boys were bound, and timing possibly influenced by setting, proximity to a pagan holiday and celestial events -- furthered suggested occultism as an impetus for the killings. Local officers were familiar with Echols as a dangerous, mentally ill teenager immersed in witchcraft. Among the many tips coming into police were reports that Echols had been seen near the crime scene that night and that he was heavily involved in a cult. A series of police interviews with an all-too-knowing Echols did nothing but deepen suspicions. Echols failed a lie detector test, thereafter refusing to talk. Police heard that Echols had been telling friends about his involvement in the murders. Vicki Hutcheson, an acquaintance of Misskelley, decided to -play detective.- Soon police brought in Misskelley for routine questioning. After he, too, failed a lie detector test, he gave the first of a number of confessions. The case was solved, but the questions continue.
