Recommendation Emroy Gehlson,2005 Recommendation, narrative and supporting statements for award of Legion of Merit to Valentino Panzitta, Lieutenant Colonel, US Army (Retired), for action in the Republic of Vietnam from November 14-17, 1965.

Veterans' Reflections Their Story Is Our Nation's Story Graser,2013-11-11 The contents of this writing follow the personal experiences of 52 veterans who call the Nevins Retirement Community in Londonderry, New Hampshire, home. This book includes many personally written stories; some are funny while others reflect on the wars in which they participated and there is even a love story. No writing would be complete without recognizing the service and commitment of American servicewomen from the American Revolutionary War to the recent campaign in Iraq and the present campaign in Afghanistan. Historical detail and background have been added to provide insight and clarity into the times and events during which these veterans served. This writing is not only a human interest story, but presents an easy-to-read historical timeline from the Great War (1914-1918) to the Gulf War 1991, and the campaigns in Afghanistan "Operation Enduring Freedom" (2001- present) and Iraq "Operation Iraqi Freedom" (2003-2011).

**For Military Merit** Fred L Borch,2010-07-15 More than one million men and women have received the Purple Heart since its creation as an award “for military merit” in 1932. This book provides a brief history of the Purple Heart, with a focus on how the decoration’s award criteria have evolved over the last 75 years. The book then takes a representative look at Purple Heart recipients from all the services by conflict, starting with the Civil War and concluding with the on-going conflicts in Afghanistan and Iraq.

*Send Me: a Soldier’S Story* Mike Dean,2013-09-13 The brightest colors woven on history's tapestry are those that teach us how to overcome trials and serve others in such a way as to elevate their lives to great heights of human accomplishment while, in the process, giving glory to our Maker. Part novel, part memoir, part history lesson, *Send Me: A Soldier's Story* seeks to draw you in, inform you, and then inspire you. Every soldier's story is unique. This one is mine. What I offer you is the story of a young marine who, after transferring to the US Navy, served aboard the USS John F. Kennedy; faced the challenges later in the army as a young warrant officer of Operation Desert Shield/Desert Storm; and afterward served in military intelligence, where he found himself knee-deep within the ActivityAmericas most secret Special Operations Team. *Unbreakable Hearts: A True, Heart-wrenching Story About Victory...Forfeited!* Earl Dusty Trimmer,2019-05-16 Earl “Dusty” Trimmer relates with both skill and personal experience events surrounding our most forgettable and misunderstood war in America’s history. He brings it all home with his down-to-earth style and considerable knowledge. In *Unbreakable Hearts*, Dusty dives into the Vietnamese history and culture and skillfully brings the reader into understanding our

Vietnamese enemy's amazing resolve. He brilliantly explains the evolution of our Vietnamese enemy over hundreds of years of invasions and wars. Always defending their country to remain free became an art. In Chapter 7, Dusty describes the Vietnamese women fighters as "Hellcats." My own experience with the formidable Vietnamese Viet Cong women's skills and expertise closely mirrors Dusty's. Hooch girls could plant booby traps in a GI's hooch with a skill and savvy they were forced to learn during decades of on-the-job training in continuous wars with unwelcomed invaders. My own Military Police experience after leaving the infantry revealed these incidents vividly. In later chapters, Dusty moves into our own veterans' profound resolve and toughness. North Vietnam's famed General Giap called us "an honorable enemy." One could suggest from this writing that our enemy taught us well. We did things in the Vietnam War the average person would have to go to the movies to believe. After reading Trimmer's descriptions, I must conclude that indeed this book could be one for the movie industry. Dusty Trimmer brings to life our days and nights living and fighting in these foreboding jungle warfare conditions. After reading this fine work and reflecting on my own experiences, I cut away a little more of the pain. Pride swells for having served with all of these wonderful veterans of the Vietnam War. Pain for our terrible losses. For myself, these experiences culminated in wisdom I would otherwise have failed to achieve. God bless Dusty for telling our story. Forward march, Brothers!

Written products have been criticized for lack of clarity or for unconvincing arguments. Nations have gone to war based on what was considered the best available intelligence, only to learn later that it had been flawed. A lack of standards for written products across the Intelligence Community has adversely impacted those products and those who depend upon them. Writing Classified and Unclassified Papers for National Security is designed to serve as a style guide for those in the intelligence profession and for those aspiring to that career and pursuing studies in intelligence, national security, homeland security, or homeland defense.
