Cost Management Liming Guan, Don R. Hansen, Maryanne M. Mowen, 2009 Introduce your students to the dynamic, exciting nature of cost management as this edition demonstrates how today's conditions consistently require change in cost management systems. Hansen/Mowen/Guan's COST MANAGEMENT: ACCOUNTING AND CONTROL, 6e, International Edition, first covers functional-based cost and control and then activity-based cost systems, giving students the

understanding and skills to manage any cost management system. This edition's expansive coverage and consistent attention to technical detail provides a thorough, well-researched foundation for learning. It addresses the most recent influential topics and emerging processes affecting the discipline, including a new chapter on lean accounting and a focus on technology tools that positively impact internal costing practices.

Introduction to Managerial Accounting Peter C. Brewer, Ray H. Garrison, Eric W. Noreen, Norma R. Montague, 2024
Brewer's Introduction to Managerial Accounting has earned a reputation as the most accessible and readable book on the market, while leveraging assets from the Garrison Managerial Accounting franchise. Its manageable chapters and clear presentation point students toward understanding just as the needle of a compass provides direction to travelers--

Management Accounting Gail Sheppard, 2011 This text presents strategic and traditional management accounting topics and, where appropriate, revision questions will compare approaches of both methods. Beginning with learning objectives, each chapter is example driven, introducing basic concepts and leading to more complex examples.

Service Business Costing Markus B. Baum, 2012-08-17 Service firms have high overhead costs which are difficult to assign to individual services. To bring transparency to their value chain, they need costing approaches that help them find their own improvements. Markus B. Baum explores current theory and practice of value chain approaches and cost accounting to develop a costing approach with a suitable instrument for the allocation of fixed and overhead costs for a service firm. He describes the service business costing (SBC) approach. This hybrid-costing model has a hierarchical structure in terms of consolidation and allocates cost and revenues on the lowest hierarchical level possible to ensure that all costs and income are assigned to activities from which they originated.

Accounting for Managers Gurinder Singh, Mahendra Kumar Jain, Ruchika Gupta, 2022-02-28 For the purpose of preparing accounting statements and analyses for their use in planning, controlling and business decisions, this book offers a thorough description of financial accounting, cost accounting and management accounting.

Cornerstones of Cost Management Don R. Hansen, Maryanne M. Mowen, Dan L. Heitger, 2021-02-03 Gain an understanding of the principles behind cost accounting and its importance in organizational decision making and business today with the unique, reader-friendly approach in Hansen/Mowen/Heitger's COST MANAGEMENT, 5E. This edition addresses functional-based cost and control and, then, activity-based cost systems - giving you the skills to navigate any cost management system. Updates address emerging developments, including the role of data analytics in cost management today. An entire new chapter also examines global issues, such as virtual currency and blockchain. This edition's approach is tailored to the way you learn. Structured examples from familiar companies emphasize the real-world applications and relevance of what you are learning. Clear explanations review the concepts behind each equation or topic, detailing the

hows, whys and what-ifs. Integrated CengageNOWv2 resources provide additional computerized exercises and problems for practice and review.

Cost Management Don R. Hansen, Maryanne M. Mowen, 2000 Cost Management: Accounting and Control emphasizes that changing conditions often require a change in cost management systems. Emphasizing this point stresses the dynamic and exciting nature of the field. By taking a systems approach -- one that first covers functional-based cost and control and then activity-based cost systems -- students understand how to understand and manage any cost management system.

Financial Accounting Jay S. Rich, Jeff Jones, Linda Ann Myers, 2021 Gain a clear understanding of the important relationships between accounting, financial statements and business decisions with Rich/Jones/Myers' FINANCIAL ACCOUNTING, 5E. This edition's proven approach is built around the way students like you read and use texts. This edition helps you master the fundamentals of financial accounting more quickly and independently so you can focus on how accounting information is used in real companies today. The authors illustrate each major concept using memorable examples from familiar organizations and conceptual insights that explain the reasons behind the processes. You watch leading companies, like Apple, Verizon or Google, use accounting information to make better decisions, as you learn how to analyze and interpret financial data yourself. Helpful videos from the authors are available to reinforce concepts and optional CengageNOWv2 digital resources provide support with homework, study and review.
