Chronicles of Angel W.J. May, 2022-02-20 What started as a nightmare, turned into a fairytale. Some might argue, Angel Cross was doomed from the start. Born to a life of servitude and raised to be an instrument of death, the girl was never comfortable unless there was a gun in her hand. Then she went and did the craziest thing of all...she fell in love. While the rest of her friends slip into a simple routine of domesticated bliss and saving the world, Angel has a harder time finding her footing. Instead of explosives, she finds herself toting a car-seat. Instead of midnight homicides in Berlin, she finds herself sitting in back of the PTA. An accidental touch of arson sentences her to Carter-appointed therapy, throwing a spotlight on all that dissonance, but things at the PC are growing rocky as well. Case files are being altered and prisoners are going missing. An inside-person may be working behind the scenes. How long can she pull a thread, before the whole thing unravels? Was such a venture destined to fail from the start? What happens if you realize...happily ever after isn't enough? Kerrigan

Prevail W. J. May, 2023-10-15 Learn to fight, it is the only option Who says you can never go home again...? When Kiera and her friends are rescued by Eden's father and whisked away to a distant land, they think their troubles are over. No longer will they face the darkness alone, there is an army of immortals behind them. But all is not well between the fae, and a secret agenda threatens to unravel the delicate balance they've worked so hard to keep. The clock is ticking, and the dragon circles ever closer. Freedom will be granted only through compromise, but is the cost too great? What things must they sacrifice? What lies must they tell? By the time the dust settles, will there be anything left? Be careful who you trust. Even the devil was once an angel.
