

Swim The Fly 1 Don Calame

Lesley Choyce

Swim the Fly Don Calame, 2009 In addition to the pact he made with his two best friends to see a naked girl by the end of summer, 15-year-old Matt Gratton is even more determined to impress the star of the swim team, Kelly West, with his athletic abilities and so makes a personal goal to swim the 100-yard butterfly in order to catch her eye.

Call The Shots Don Calame, 2013-04-01 Since his girlfriend broke up with him last summer, Sean's been on a starvation diet where girls are concerned. However, he's got other things on his mind. Like how to stop the soon-to-be-born family addition from stealing his room and making him share with his evil twin sister. When Coop suggests making a cheap-ass horror film to bring in the bucks he's a bit sceptical, but Coop is nothing if not persuasive . . . 'Zonkey!' (a tale of 'half-man, half-monkey' drones that mutate into hairy uncontrollable zombie-monsters with a thirst for human blood') is born. Join Coop, Sean and Matt in this hilarious sequel to SWIM THE FLY and BEAT THE BAND.

Carter Finally Gets It Brent Crawford, 2010-03-21 Meet Will Carter, but feel free to call him Carter. (Yes, he knows it's a lazy nickname, but he didn't have much say in the matter.) Here are five things you should know about him: 1. He has a stuttering problem, particularly around boobs and belly buttons. 2. He battles Attention Deficit Disorder every minute of every day unless he gets distracted. 3. He's a virgin, mostly because he's no good at talking to girls (see number 1). 4. He's about to start high school. 5. He's totally not ready. Join Carter for his freshman year, where he'll search for sex, love, and acceptance anywhere he can find it. In the process, he'll almost kill a trombone player, face off with his greatest nemesis, suffer a lot of blood loss, narrowly escape death, run from the cops (not once, but twice), get caught up in a messy love triangle, meet his match in the form of a curvy drill teamer, and surprise the hell out of everyone, including himself.

Dan Versus Nature Don Calame, 2019-04-09 From screenwriter Don Calame comes another outrageously funny and raunchy tale of teen boys whose plans go awry — this time, on a survivalist camping trip. Shy and scrawny Dan Weekes spends his time creating graphic novels inspired by his dream girl and looking out for his mom as she dates every man in the state of California. Then his mom drops a bomb: she and her latest beau, Hank, are engaged, and she's sending her "two favorite men" on a survivalist camping trip to "bond." Determined to trick Hank into showing his true — flawed — colors on the trip, Dan and his nerdy germaphobe best friend, Charlie, prepare a series of increasingly gross and embarrassing pranks. But the boys hadn't counted on a hot girl joining their trip or on getting separated from their wilderness guide—not to

mention the humiliating injuries Dan suffers in the course of terrorizing his stepdad-to-be. With a man-hungry bear on their trail, no supplies, and a lot of unpleasant itching going on, can Dan see his plan through now that his very survival depends on Hank?

The Delusionist Don Calame,2021-10-12 Sixteen-year-old Quinn faces both friend and romance drama as he tries to win a coveted spot at the Masters of Magic Fantasy Camp.

Beat The Band Don Calame,2012-02-01 Cooper Redman has one thing on his mind, tagging as many bases as possible by the end of sophomore year. He's already picked out a prime target, the divine Prudence Nash, whose sexy serpent tattoo haunts his dreams. But when Coop is paired with the infamous 'Hot Dog' Helen for a semester-long health project on safe sex, his hopes of making it to the Majors are suddenly DOA. It's going to take something totally epic to resuscitate his reputation. Something like winning The Battle of the Bands with his best buds Matt and Sean. There's just one problem . . . they suck.

Breaking Point Lesley Choyce,2012-03-01 Cameron has been in trouble with the law more than once for breaking and entering. After his latest conviction, he's sent to an outdoors program for young offenders rather than a standard juvenile detention facility. There he meets Brianna, a girl who has been caught selling drugs at her school. They bond quickly, and she convinces Cameron to steal two sea kayaks and head off with her into the wilderness of bays and coves of Nova Scotia's Eastern Shore. It's a fearless but ill-timed escape as a hurricane is about to pound the coast. They must use all their courage and newfound survival skills if they are going to make it back to shore alive. And Cameron suspects that Brianna may not be telling him the truth about her real plans.

I Am a Genius of Unspeakable Evil and I Want to Be Your Class President Josh Lieb,2009-10-13 Family Guy meets Election in this hilarious young adult debut! In reality, Oliver's a mad evil genius on his way to world domination, and he's used his great brain to make himself the third-richest person on earth! Then Oliver's father—and archnemesis—makes a crack about the upcoming middle school election, and Oliver takes it as a personal challenge. He'll run, and he'll win! Turns out, though, that overthrowing foreign dictators is actually way easier than getting kids to like you. . . Becoming Dangerous Katie West, Jasmine Elliott, 2019 Edgy and often deeply personal, the twenty-one essays collected here come from a wide variety of writers. Some identify as witches, others identify as writers, musicians, game developers, or artists. What they have in common is that they've created personal rituals to summon their own power in a world that would prefer them powerless. Here, they share the rituals they use to resist self-doubt, grief, and depression in the face of sexism, slut shaming, racism, patriarchy, and other systems of oppression--

How to Read a Folktale Lee Haring, 2013-10-24 How to Read a Folktale offers the first English translation of Ibonia, a spellbinding tale of old Madagascar. Ibonia is a folktale on epic scale. Much of its plot sounds familiar: a powerful royal hero attempts to rescue his betrothed from an evil adversary and, after a series of tests and duels, he and his lover are joyfully united with a marriage that affirms the royal lineage. These fairytale elements link Ibonia with European folktales, but the tale is still very much a product of Madagascar. It contains African-style praise poetry for the hero; it presents Indonesian-style riddles and poems; and it inflates the form of folktale into epic proportions. Recorded when the Malagasy people were experiencing European contact for the first time, Ibonia proclaims the power of the ancestors against the foreigner. Through Ibonia, Lee Haring expertly helps readers to understand the very nature of folktales. His definitive translation, originally published in 1994, has now been fully revised to emphasize its poetic qualities, while his new introduction and detailed notes give insight into the fascinating imagination and symbols of the Malagasy. Haring's research connects this exotic narrative with fundamental questions not only of anthropology but also of literary criticism.

Reality Transurfing Vadim Zeland, 2011 Transurfing Reality was one of the top non-fiction bestsellers in the world in 2005 and 2006. Unknown till now in the West, the series has sold over 1,300,000 copies in Russia in three years. This translation (by Natasha Micharina) describes a new way of looking at reality, indeed of creating it. It provides a scientific explanation of the laws that help you do this, building up a scientific model, speaking in detail about particular rules to follow and giving important how-to tips, illustrated with examples. The author introduces a system of specific terms, notions, and metaphors, which together make a truly convincing, thought-provoking theory of creating your own life. "You are ruled by circumstances and it will always be like that until you learn how to manage your reality," says the author. Bringing together the cutting edge of modern science and philosophical teaching, the book's style is popular-scientific, metaphorical and conversational. Books in the series: Reality Transurfing 1: The Space of Variations; Reality Transurfing 2: A Rustle of Morning Stars; Reality Transurfing 3: Forward to the Past; Reality Transurfing 4: Ruling Reality; Reality Transurfing 5: Apples Fall to the Sky

The Second Base Club Greg Trine, 2010-10-12 Elroy's got one thing on his mind: girls. In an effort to get to second base,

he offers to tutor the hot new girl in math, forms a band with his two best friend (okay, so he gets a face full of tomato for his efforts) and joins the wrestling team. He's a little vague on the whole bases thing, but the jocks have a club dedicated to getting there with every girl they can. And now that he's a jock (sort of), maybe Elroy will find out for himself what it means to be a member of the Second Base Club.
