Daddy Will Always Love and Protect You Larry Hagner, 2017-03-30 *Daddy Will Always Love and Protect You* illustrates a father's love for his kids. There are so many books on the market that illustrate the relationships between moms and kids, but very few for dads. Being a dad is one of the toughest yet rewarding jobs in the world. Most of our kids don't clearly understand how much we love them, how much we think about them when we are not around, and how important they are to us. This book is a short, funny, and powerful read for both dads and kids.

I'm Supposed to Protect You from All This Nadja Spiegelman, 2016-08-02 A *Vogue* Best Book of the Year What Ferrante did for female friends—exploring the tumult and complexity their relationships could hold—Spiegelman sets out to do for mothers and daughters. She's essentially written *My Brilliant Mom*. —Slate A memoir of mothers and daughters—and mothers as daughters—traced through four generations, from Paris to New York and back again. For a long time, Nadja Spiegelman believed her mother was a fairy. More than her famous father, Maus creator Art Spiegelman, and even more than most mothers, hers—French-born New Yorker art director Françoise Mouly—exerted a force over reality that was both dazzling and daunting. As Nadja's body changed and “began to whisper to the adults around me in a language I did not understand,” their relationship grew tense. Unwittingly, they were replaying a drama from her mother's past, a drama Nadja sensed but had never been told. Then, after college, her mother suddenly opened up to her. Françoise recounted her turbulent adolescence caught between a volatile mother and a playboy father, one of the first plastic surgeons in France. The weight of the difficult stories she told her daughter shifted the balance between them. It had taken an ocean to allow Françoise the distance to become her own person. At about the same age, Nadja made the journey in reverse, moving to

Paris determined to get to know the woman her mother had fled. Her grandmother's memories contradicted her mother's at nearly every turn, but beneath them lay a difficult history of her own. Nadja emerged with a deeper understanding of how each generation reshapes the past in order to forge ahead, their narratives both weapon and defense, eternally in conflict. Every reader will recognize herself and her family in *I'm Supposed to Protect You From All This*, a gorgeous and heartbreaking memoir that helps us to see why sometimes those who love us best hurt us most.

I Love You, But I Hate Your Politics Jeanne Safer, 2019-07-04 We've all been there - the family dinners turned full-fledged political debates, the awkward chat in the kitchen at work, the difficulty of discussing politics on a first date or even at dinner with a long-time partner. Today's divisive climate - and the seemingly never-ending circus of Brexit - has made discussion of current events uncomfortable and often uncivil. So, how exactly do we find ways to reach across the aisle to those whose views we find unpalatable? Psychotherapist and lifetime liberal Jeanne Safer hopes to shed some light on the situation. Combining her professional expertise with personal experience gleaned from over forty years of happy marriage to her stalwart conservative husband Richard Brookhiser, as well as a wealth of interviews with politically mixed couples, Safer offers frank advice for salvaging and strengthening relationships strained by political differences. Part relationship guide,

part anthropological study, *I Love You, But I Hate Your Politics* is a helpful and entertaining how-to for anyone who has felt they are walking on eggshells in these increasingly uncertain times.

The Damage Caitlin Wahrer, 2022-06-14 “A rollercoaster of terror, marked by whip-fast twists and turns.”—The New York Times “Pulled me in from the first page... Put this one high on your summer list.”—Stephen King When a small-town family is pushed to the brink, how far will they go to protect one of their own? An edgy, propulsive read about what we will do in the name of love and blood Tony has always looked out for his younger brother, Nick. So when he's called to a hospital bed where Nick is lying battered and bruised after a violent sexual assault, his protective instincts flare, and a white-hot rage begins to build. As a small-town New England lawyer, Tony's wife, Julia, has cases involving kids all the time. When Detective Rice gets assigned to this one, Julia feels they're in good hands. Especially because she senses that Rice, too, understands how things can quickly get complicated. Very complicated. After all, one moment Nick was having a drink with a handsome stranger; the next, he was at the center of an investigation threatening to tear not only him, but his entire family, apart. And now his attacker, out on bail, is disputing Nick's version of what happened. As Julia tries to help her brother-in-law, she sees Tony's desire for revenge, to fix things for Nick, getting out of control. Tony is starting to scare her. And before long, she finds herself asking: does she really know what her husband is capable of? Or of what she herself is? Exploring elements of doubt, tragedy, suspense, and justice, *The Damage* is an all-consuming read that marks the explosive debut of an extraordinary new writer.

Deeper Dating Ken Page, 2014-12-30 With exercises, practical tools, and inspiring stories, *Deeper Dating* will guide you on a journey to find the love—and personal fulfillment—you long for. Lose weight. Be confident. Keep your partner guessing. At the end of the day, this soulless approach to dating doesn't lead to love but to insecurity and desperation. In *Deeper Dating*, Ken Page presents a new path to love. Out of his decades of work as a psychotherapist and his own personal struggle to find love, Page teaches that the greatest magnet for real love lies in our Core Gifts—the places of our deepest sensitivity, longing, and passion. *Deeper Dating* guides us to discover our own Core Gifts and empowers us to express them with courage, generosity, and discrimination in our dating life. When we do this, something miraculous happens: we begin to attract people who love us for who we are, we become more self-assured and emotionally available, and we lose our taste for relationships that chip away at our self-esteem. Without losing a pound, changing our hairstyle, or buying a single new

accessory, we find healthy love moving closer . . . Deeper Dating integrates the best of human intimacy theory with timeless spiritual truths and translates them into a practical, step-by-step process.

The Painted Drum Louise Erdrich,2009-10-13 “Haunted and haunting. . . . With fearlessness and humility, in a narrative that flows more artfully than ever between destruction and rebirth, Erdrich has opened herself to possibilities beyond what we merely see—to the dead alive and busy, to the breath of trees and the souls of wolves—and inspires readers to open their hearts to these mysteries as well.”— Washington Post Book World From the author of the National Book Award Winner *The Round House*, Louise Erdrich's breathtaking, lyrical novel of a priceless Ojibwe artifact and the effect it has had on those who have come into contact with it over the years. While appraising the estate of a New Hampshire family descended from a North Dakota Indian agent, Faye Travers is startled to discover a rare moose skin and cedar drum fashioned long ago by an Ojibwe artisan. And so begins an illuminating journey both backward and forward in time, following the strange passage of a powerful yet delicate instrument, and revealing the extraordinary lives it has touched and defined. Compelling and unforgettable, Louise Erdrich's *Painted Drum* explores the often-fraught relationship between mothers and daughters, the strength of family, and the intricate rhythms of grief with all the grace, wit, and startling beauty that characterizes this acclaimed author's finest work.

Protect Me, Love Alice Orr,1997 *Protect Me, Love* by Alice Orr released on Oct 25, 1996 is available now for purchase.

In the Dream House Carmen Maria Machado,2019-11-05 A revolutionary memoir about domestic abuse by the award-

winning author of *Her Body and Other Parties* In the Dream House is Carmen Maria Machado's engrossing and wildly innovative account of a relationship gone bad, and a bold dissection of the mechanisms and cultural representations of psychological abuse. Tracing the full arc of a harrowing relationship with a charismatic but volatile woman, Machado struggles to make sense of how what happened to her shaped the person she was becoming. And it's that struggle that gives the book its original structure: each chapter is driven by its own narrative trope—the haunted house, erotica, the bildungsroman—through which Machado holds the events up to the light and examines them from different angles. She looks back at her religious adolescence, unpacks the stereotype of lesbian relationships as safe and utopian, and widens the view with essayistic explorations of the history and reality of abuse in queer relationships. Machado's dire narrative is leavened with her characteristic wit, playfulness, and openness to inquiry. She casts a critical eye over legal proceedings, fairy tales, Star Trek, and Disney villains, as well as iconic works of film and fiction. The result is a wrenching, riveting book that explodes our ideas about what a memoir can do and be.

All About Love bell hooks, 2018-01-30 A New York Times bestseller and enduring classic, *All About Love* is the acclaimed first volume in feminist icon bell hooks' *Love Song to the Nation* trilogy. *All About Love* reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in *All About Love*. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness—not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The *Utne Reader* declared bell hooks one of the "100 Visionaries Who Can Change Your Life." *All About Love* is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.
