The Enneagram
2011-11-22 Helen Palmer

It would be impossible for most of us to spend a day without coming into direct or indirect contact with dozens of people family, friends, people in the street, at the office, on television, in our fantasies and fears. Our relationships with others are the most changeable, infuriating, pleasurable and mystifying elements in our lives. Personality types, based on the ancient system of the Enneagram, will help you to enjoy more satisfying and fulfilling relationships in all areas of your life by introducing you to the nine basic personality types inherent in human nature. This knowledge will help you better understand how others think and why they behave as they do, as well as increasing your awareness of your own individual personality. Written by the leading world authority on the Enneagram, it offers a framework for understanding ourselves and those around us, as well as a wealth of practical insights for anyone interested in psychology, counselling, teaching, social work, journalism and personal management.

The Instinctual Drives and the Enneagram

2021-08 John Luckovich

The Enneagram is a profound tool for self-observation and inner work. While there are plenty of resources on the topic, most Enneagram literature is largely limited to entry-level descriptions of the Nine Types. The Instinctual Drives and the Enneagram focuses on a crucial but misunderstood facet of the Enneagram Typology--our "animal" Instinctual Drives and how they are related to our spiritual nature. While nearly every school of thought on the Enneagram acknowledges the importance and role of the Instinctual Drives, there’s a deep lack of understanding what they actually are, the role they play in personality, and most importantly, their implications for inner work. This book achieves, for the first time, a coherent theory of the instinctual drives based in biology, evolution, and developmental psychology, and it paves the way toward a more accurate view of inner work that directly addresses our animal nature. In so doing, it turns our current understanding of the Enneagram on its head by showing that the personality does not exist in parallel with our instinctual drives, but in reaction to them. In other words, instinct comes first - and one's Enneagram type is nothing more or less than a strategy to fulfill instinctual needs. This clarified orientation has important implications for our spiritual development, self-remembrance, and the transformation of our personhood into a conduit of Essence.

The Intelligent Enneagram

1996-10-22 A.G.E. Blake

At last, an enneagram book that explains the full potential of this mysterious nine-pointed symbol, with applications far beyond personality typology. A remarkable tool for analyzing and understanding many different areas of endeavor, the enneagram can be used to
enhance powers of intuition, the capacity to see situations holistically, and the ability to find connections between the different regions of knowledge and experience.

The Spiritual Dimension of the Enneagram
2001-02-19 Sandra Maitri A groundbreaking exploration of the spiritual dimension of working with the enneagram by one of its earliest students and teachers in America. Here is one of the first books to explore in an authentic and comprehensive way the original spiritual dimension of the enneagram. Among the most knowledgeable teachers of the enneagram in America, Sandra Maitri shows how the enneagram not only reveals our personalities, but illuminates a basic essence within each of us. She shows how traversing the inner territory particular to our ennea-type can bring us profound fulfillment and meaning, as well as authentic spiritual development.

The Enneagram Spectrum of Personality Styles 2E
2021-02-18 Jerome Wagner, Ph.D. This is the best introductory book you will find on the Enneagram. Wagner’s guide is a clear and concise introduction to the Enneagram, useful for personal exploration and as a teaching ID for workshop presenters and counselors. This comprehensive book with charts, exercises, and bullet descriptions, yields an experiential understanding of basic Enneagram principles such as: • Authentic values and their personality substitutes • Resourceful and non-resourceful cognitive, emotional, and behavioral schemas and how they shift under stressful and flow conditions • Developmental influences • The three centers of sorting and deciding • The defense mechanisms, principles and paradigms, virtues, passions, and both healthy and maladaptive instincts of each of the nine Enneagram personality types. For centuries -- and now in the light of leading-edge psychology—the Enneagram has helped people to recognize their predispositions, motives, and talents. Its insights provide valuable information for those in communication, business, human resources, therapy, and personal growth. This book helps you to explore the nine different "hues" of the Enneagram, discover your own type, and understand the behaviors and attitudes that are uniquely yours. It is considered the most concise and easy to use introductory guide available.

The Enneagram Made Easy
2009-09-15 Renee Baron The first easy—and fun—guide to the Enneagram, the fascinating and revealing method of understanding personality types, for the beginner, the expert, and everyone in between. This witty and informative guide demystifies the ancient Enneagram system with cartoons, exercises, and personality tests that reveal our motivations and desires and show how to put that knowledge to use in our everyday lives. The 9 Types of People: The Perfectionist: Motivated by the need to live life the right way, improve oneself and others, and avoid anger. The Helper: Motivated by the need to be loved and appreciated and to express your positive feelings towards others. The Achiever: Motivated by the need to be productive, to achieve success, and to avoid failure. The Romantic: Motivated by the need to understand your feelings and to be understood to search for the meaning of life, and to avoid being ordinary. The Observer: Motivated by the need to know everything and understand the universe, to be self-sufficient and left alone, and to avoid not having the answer or looking foolish. The Questioner: Motivated by the need for security, to feel taken care of, or to confront your fears. The Adventurer: Motivated by the need to be happy and plan fun things, to contribute to the world, and to avoid
suffering and pain. The Asserter: Motivated by the need to be self-reliant and strong, to make an impact on the world, and to avoid being weak. The Peacemaker: Motivated by the need to keep the peace, merge with others, and avoid conflict.

**Keys to the Enneagram**

2021-10-05 A. H. Almaas More than just a tool to diagnose your personality type, the Enneagram was originally developed to help people find the ultimate freedom of consciousness and achieve spiritual liberation. A. H. Almaas brings us back to this original mission as he shares the essential keys that will help readers break free from the limitations and distortions of each type’s fixation—and to express their true spiritual nature in everyday life.

**Deep Coaching**

2007 Roxanne Howe-Murphy "Deep Coaching" operationalizes the profound teachings of the Enneagram so that coaches can use specific processes, tools, and strategies to empower and support the transformation of their clients. The Story of You

2021-12-28 Ian Morgan Cron “Insightful, humorous, practical, this book will not only help you understand the story you’re telling yourself but also reveal a new story that allows you to love better.”— Russell Moore, director of the Public Theology Project at Christianity Today In this powerful, transformational guide, the author of the bestselling book The Road Back to You breaks new ground with the Enneagram—the ancient personality typing system—by revealing how each of us inhabits a broken story that runs counter to the Larger Story of divine grace and who we were created to be. Drawing on his training as a psychotherapist and his own personal experience, Ian Cron explains how you can: rewrite the self-sabotaging stories you tell yourself about who you are, free yourself from the tyranny of unconscious childhood messages, and overcome the self-defeating patterns of behavior that prevent you from becoming your authentic self. With this powerful tool, Cron shows us how each type can shed their broken stories and harness their unique power within to become who we are truly meant to be, shedding the unhappiness we accumulate by trying to live out of the wrong story. Filled with examples from people whose lives have been transformed for the better, Cron maps out a guide for using Enneagram wisdom...
to reauthor your life and experience deep inner transformation, healing, and happiness. Rewrite the story of you and find the freedom in becoming your true self!

**Discovering Your Personality Type**

2003-05-20 Don Richard Riso The bestselling beginner’s guide to identifying and understanding the nine personality profiles and applying them to your daily life. The leading experts in the field, Don Richard Riso and Russ Hudson have set the standard for determining personality type using the enneagram. Their studies of this ancient symbol and their progress in determining type with increasing accuracy are known, taught, and emulated worldwide. Discovering Your Personality Type is the essential introduction to this system, a psychological framework that can be used practically, in many aspects of daily life. This revised and updated edition features the all-new, scientifically validated Riso-Hudson Type Indicator, and has also been refined and simplified to appeal especially to beginners and anyone interested in unlocking the secrets of personality. The most reliable, most accurate, and most accessible way to identify type, the improved enneagram questionnaire helps identify fundamental character traits, revealing invaluable directions for change and growth. The profile that emerges is useful for a wide variety of purposes: professional development, education, relationships, vocational counseling, and more. Discovering Your Personality Type is the book readers need in order to begin to see the possibilities made available by understanding personality types. **Type Talk**

2013-01-16 Otto Kroeger Determine your personality using a scientifically validated method based on the work of C.G. Jung and gain insight into why others behave the way they do, and why you are the person you are. What’s your type? Would you rather . . . . . . celebrate with the whole crowd or just a few friends? . . . focus on the facts or get an overall impression? . . . go with what “seems logical” or what “feels fair”? . . . keep to a schedule or keep your options open? How you answer these questions is the very beginning of understanding who you are and how you relate to those around you, by using a new and exciting method called Typewatching. Otto Kroeger and Janet M. Thuesen have developed Typewatching from the Myers-Briggs Type Indicator, which was derived from the work of C. G. Jung. Now they have put together the first and only popular guide to the MBTI in Type Talk. Here is a one-of-a-kind guide that describes this scientifically validated approach to “name-calling,” a method that has been used for more than forty years by individuals, families, corporations, and governments who want to communicate better. Typewatching as explained in Type Talk is easy to learn and natural to use. With even moderate practice it can help teachers teach and students learn, workers work and bosses boss. It can help lovers love, parents parent, and everyone accept themselves and others more easily. Best of all, Typewatching is fun. Type Talk examines the four pairs of preferences that are fundamental to every personality type: Extraversion/Introversion, Sensing/iNtuition, Thinking/Feeling, and Judging/Perceiving. Kroeger and Thuesen provide a self-evaluation that can be used to determine which of each of these preferences best describes you. They delineate every combination of preferences—there are 16 different personality types, so you are sure to find yourself—and they go on to demonstrate how to analyze and evaluate other people as well. Once armed with this knowledge, you will learn how to thrive in a world of so many different types. Here is a celebration of the similarities and differences in people, an odyssey of discovery in which the final destination is success, satisfaction, and serenity.
The Enneagram Goes to Church

2021-03-16 Todd Wilson If I had known the Enneagram earlier in my ministry, I would have been a much better pastor. When this thought came to Todd Wilson, he had already served as a pastor in several churches for the better part of fifteen years and was successfully leading a large, historic, and diverse congregation. He’d started out in ministry with a strong education in everything from biblical exegesis and homiletics to organizational development and Christian education. However, at its root, pastoral ministry is about shepherding, serving, leading, and loving people, and Todd realized that what he lacked was wisdom about how people work. He says, "When it came to empathetically shepherding people and sensitively engaging their manifold personalities and diverse ways of seeing the world, I was an amateur." Whether you are on a church staff or leading a small group, you will find that the insights from the Enneagram that have helped many grow in self-awareness can be applied to life in our faith communities. The Enneagram can help us to become better teachers. It can influence how we develop worship and Christian education. And it can guide us in building and leading teams. It’s time to take the Enneagram to church—and to allow it to shape our life together.

The Enneagram

Mirror for the Soul
2017-07-07 Alice Fryling
"Who in the world am I?" The Enneagram is like a mirror, reflecting dimensions of ourselves that are sometimes hard to see. In this helpful guide, spiritual director and Enneagram teacher Alice Fryling offers an introduction to each number of the Enneagram and their respective triads. More than just helping us discern our number, this book relates the Enneagram to our spiritual journey, as a way to identify our gifts as well as our blind spots. With Scripture meditations and questions for reflection and discussion, Mirror for the Soul offers a new perspective on our unique temperament so that we might know and extend God's grace more fully. Knowledge of the Enneagram leads us into more authentic self-awareness, richer relationships, and deeper places in the soul where we can worship God in truth and grace.

Understanding the Enneagram
2000 Don Richard Riso
Offers profiles of nine personality types, tells how to avoid misidentifications, and offers advice on becoming aware of one's own personality type.

What's My Type?
1992-01-03 Kathleen V. Hurley and Dobson explore how the wisdom of the Enneagram allows you to bring out the best in yourself and others. Delving deeper than other systems of personality exploration, the Enneagram system of nine distinctive patterns of unconscious motivation reveals the primary sources of our behavior and the reasons we live as we do. Through detailed descriptions and discerning self-inventory questions, Hurley and Dobson make discovering your personality type fun and easy. They provide simple, proven methods for neutralizing negative attitudes about self and others and releasing untapped potential. Armed with the Enneagram's insights, readers learn to transform weaknesses into strengths, break free of crippling patterns, choose new ways of relating to others, and enjoy balance and harmony. For example: The Achiever can move from dissatisfied perfectionism to effective leadership and become a Pathfinder. The Observer can move from fear of commitment to curiosity and courage and become an Explorer. The Helper can move from over-involvement in the lives of others to mutual relationships and become a Partner. Inspirational, easy-to-use and practical -- What's My Type? puts the Enneagram system to work for you.

Extinguish Burnout
2019 Robert Bogue
An authoritative and relevant guide that provides practical advice for how to avoid and recover from burnout and embark on the
pathway to thriving. Trapped. Stuck. Helpless. These are the words that people experiencing burnout use to describe their lives, but they don't have to. The words used after extinguishing burnout are hopeful, thriving, flourishing, and powerful. Nearly everyone has experienced burnout. Some have escaped burnout's grips, but at what cost, and after how long? When we find ourselves succumbing to the pressures of today that move us towards burnout, we need a clear path to get out and avoid it in the future. That's what Rob and Terri Bogue have put together - a clear path out of burnout. In the book, you'll learn:

- What causes burnout and how to escape
- How to more realistically value the results you're getting
- When to ask for and receive more support
- What four simple physical self-care activities reduce burnout
- How to change your self-talk for the better
- What to do to manage your demands so you're not so exhausted
- How to better recognize your personal value
- How to integrate your self-image and reduce your stress
- How to identify and eliminate barriers to your efficacy
- How to build resilience against setbacks
- Why hope is essential
- Why failure isn't final
- How to be detached without being disengaged

Rob and Terri convert abstract concepts into tangible activities that you can do to escape burnout. They convert nearly incomprehensible research into practical steps anyone can take. Intentionally short chapters can be read in only a few minutes, so you don't have to commit to a long book or chapter to start feeling better. "If you need to read one book about well-being, this is absolutely it." - Sharlyn Lauby, Author of HR Bartender

**The Enneagram Test**

2018-07-29 Joy Maestri

If you finally want to make peace with yourself, understand why you hate your co-worker and identify the traits that would make your crush drool over you, then continue reading... I've always hated personality tests (probably except the ones about a certain Magic School and its 4 Houses). Anyways, they seemed like the perfect excuse to start labeling people instead of spending time getting to know them. One day, tired from the usual drama at work, I decided to hit the books and learn about ways to improve my communication with my co-workers. That's when I first came across the Enneagram. Having studied and used this personality typing system since has opened my eyes to a framework through which I could connect with myself and others in a way I would've never imagined. What benefits can I get from taking this Enneagram Test and finding my type? You can finally achieve peace of mind by understanding your inner conflicts. Don't quote me on this, but it's 99.99% likely that you'll also discover the Enneagram type of the people that mean the most to you. Thus, you will develop a greater affection and understanding for them (yes, this includes the annoying co-worker!) Get an edge over the competition by knowing the kind of traits that would make that hottie look your way more often. And the kind of traits that would make your boss give you a raise, or at least stop him or her from firing you. You will feel more secure and confident in social settings. After all, you'll finally understand what's happening in the different interactions you see. Most Enneagram tests can be difficult to interpret and use complex terminology to explain simple concepts. This book is just the opposite. In this book you will find: Enneagram types explained in plain English. Easily-digestible material even for beginners. No woo-woo. At least, very little of it. Wings and body parts? Yes, we also explain the sub-categories, no worries. A link for a print-ready PDF version of the Test. Educators, HR people, and students- I'm looking at you! A pretty accurate description of what love means for each of the 9 types. Tendencies each of the 9 types have regarding their work and career. Type-based suggestions for improved mental health! **The Enneagram**

1984 Maria Beesing

The Enneagram is a most helpful instrument in assisting persons to see themselves in the mirror of their minds, especially to see the images of personality distorted by complusions and other basic attitudes about self.
The Enneagram Beginner’s Guide

2021-09-21 Damian Blair Curious about the Enneagram, but don't know where to start? The Enneagram Beginner's Guide is a concise starter book for utilizing the Enneagram of Personality to find true authenticity and develop a better understanding of others around you. Inside, you will learn how the Enneagram works and uncover the process to determine your personality type. Due to its effectiveness in self-discovery, the popularity of the Enneagram of Personality has grown in recent years. Through interpreting the structure of the Enneagram, this book shows you what it takes to become the healthy, confident and effective person you were meant to be. During my tenure as a couple's therapist, I stumbled upon the Enneagram with the sole intention of helping my clients. However, as issues within my own marriage began to emerge, I decided to delve into the Enneagram for myself. After months of careful study and application, I was able to discover the intricacies of my authentic self and repair the fractured relationships in my own life. As I learned the Enneagram’s true power, I decided to write a book to make it easier for beginners to understand and speed up the process of applying its principles. In this book, you will discover: - A Comprehensive Overview of How The Enneagram Works - How The Enneagram Improves Self Awareness and Increases Intelligence - The 9 Personality Types and Their Distinct Characteristics - Crucial Strategies to Accurately Determine Your Type - How To Improve Your Life and Avoid Self-Destructive Patterns - How To "Awaken" Your Unique Gifts - The Best Kept Secrets To Improve Your Relationships By Understanding Others Around You ... And So Much More! With this guide, you will finally be able to peel back the mask you have worn for most of your life to reveal your truest and most authentic self.

Enneagram Transformations

1993-01-29 Don Richard Riso “Combines enneagram personality types with recovery movement techniques of releasing undesirable traits and affirming desirable ones.” —Library Journal To heal, one must truly know, and face, one’s self. But finding that inner, honest analysis of our own personalities is difficult to say the least. Without the right tools, it can be impossible. Since its development, the enneagram—a model of nine interconnected personality types that allows users to identify their habits and flaws—has helped countless individuals understand their hearts, bodies, and minds. Now, it can also help you change your life. In Enneagram Transformations, Don Richard Riso, one of the foremost developers of the enneagram, presents a groundbreaking contribution to the self-help field. Using releases and affirmations based on the various personalities, he shows readers how to unlock their psychological pains and strengths to promote healing, recovery, and tranquility. It’s time to reclaim your power. Enneagram Transformations contains the meditative tools you need to do so.

What Type Am I?

1998-08-01 Renee Baron Do you enjoy being the center of attention? Are you more interested in facts and figures than in theories? Do you make to-do lists? Would you rather be truthful or tactful? Do you have a few close friends rather than a wide range of acquaintances? Are you more empathetic and compassionate than logical and rational? These are just a few of the questions about yourself that you can answer with What Type Am I? Based on the classic personality test taken by millions annually, this book will help you to assess your individual preferences in four basic areas: how you relate to the world, take in information, make decisions, and manage your life. Now a family therapist explains this fascinating system in a way that is...
entertaining and easy to absorb. Renee Baron takes on the complexity of the sixteen personality types and makes them accessible, so you can comprehend them, find your own type, and use the knowledge to enrich your own life. Here is information about individual strengths and weaknesses along with suggestions for personal growth and awareness. Whether you are a duty seeker or an action seeker, a knowledge seeker or an ideal seeker, What Type Am I is insightful, helpful, encouraging, and an eminently useful step in helping you appreciate your strengths and apply them to work, love, and life.

**Naked with the Enneagram**

2022-05-02 Adriana Tenora ★★★★★ "I never put much stock in the Enneagram until my son asked me to take the test. I was floored! It pinpointed my personality perfectly." - Reader Review ⸻ Ready to finally understand your inner self and discover what has been holding you back from your ideal life? Then keep reading... Do you often find yourself questioning why you act the way you do? Are you tired of making the same mistakes and falling into the same patterns, over and over again? If you've been living your life without clarity on who you truly are, then you've been letting your subconscious mind run the show. And instead of taking control of the situations in your life, you're merely reacting to the world around you. But what if you could transform the way you live your life and exist in the world, just by reflecting on your personal traits and motivations? This is where the Enneagram comes in. Unlike other personality tests that limit and force you to conform to rigid types, the Enneagram will help you delve into the inner workings of your personality and develop a more nuanced approach to yourself and your life. With the Enneagram, you will identify the areas of life that are serving you, as well as the surprising traits that are actively affecting your relationships and experiences. And as you're about to find out first-hand, once you develop this deeper level of awareness, you'll also find it easier to understand the people around you and the motivation behind their actions. In Naked With the Enneagram, you will discover: ● Comprehensive explorations of all 9 Enneagram types -- and advice on how to use the Enneagram as the powerful self-discovery tool that it is ● Exactly how to use the Enneagram to boost your emotional intelligence and gain practical and spiritual knowledge of your unique life path ● A detailed six-part self-test to help you identify the type that most suits you, along with specific wings, subtypes, and more... ● How to gain a deeper understanding of your unique personality and unlock your full potential by applying the Enneagram to your life in a practical way ● Common mistakes people make when identifying their Enneagram type, and how to avoid them and get an accurate result ● Detailed explanations of the challenges for each type and how you can overcome these struggles to find happiness and success. ● Answers to the most frequently asked questions and definitions of the most crucial Enneagram concepts And much more. Maybe you've taken other personality tests in the past but never felt satisfied with the results. Often, these tests can feel strict, tedious, or inaccurate, and they can even leave you with more questions than when you started. The Enneagram is different... if you use it right. With this easy-to-understand guide, you'll gain the ability to tap into your potential and learn all there is to know about your specific personality type. So get ready to free yourself from your old ways, take back control, and stop living your life on autopilot. To take the first step on the path to self-knowledge click the "Add to Cart" button now.

Personality Types

1996-10-29 Don Richard Riso The definitive guide to using this ancient psychological system to gain self-knowledge and achieve personal growth—now expanded and revised. The Enneagram is an extraordinary framework for understanding more about ourselves. No matter from which point of view we approach it, we discover fresh conjunctions of new and old ideas. So writes Don Riso in this expanded edition of his classic interpretation of the Enneagram, the ancient psychological system used to understand the human personality. In addition to updating the descriptions of the nine personality types, Personality Types, Revised greatly expands the accompanying guidelines and, for the first time, uncovers the Core Dynamics, or Levels of Development, within each type. This skeletal system provides far more information about the inner tension and movements of the nine personalities than has previously been published. This increased specificity will allow therapists, social workers, personnel managers, students of the Enneagram, and general readers alike to use it with much greater precision as they unlock the secrets of self-understanding, and thus self-transformation. “No Enneagram teachers I’ve come across offer such a rich and dynamic picture of how each personality type expresses itself in the world, and the process by which we can move through progressive stages of psychological and spiritual growth.”—Tony Schwartz, author of What Really Matters: Searching for Wisdom in America

Millenneagram

2019-05-07 Hannah Paasch Buckle up, folks. It’s time to jump in, embrace your inner self, and release the things that are holding you back from wholeness. Enter the Millenneagram. The Enneagram is an ancient personality typing system that has a sneaky way of revealing who we are and why we do the things we do. Using nine types, it gets to the root of our fears and motivations, unveiling our inner-most selves. Millenneagram reinvigorates the Enneagram by putting a modern spin on the classic nine types. Hannah Paasch, creator of the popular #millenneagream threads on Twitter, reveals how this system acts as a map toward our authentic selves. For Hannah, the Enneagram is not about changing who we are, but rather nurturing and loving our whole selves, even the pain in the ass qualities. “Only from this position of wholeness, rootedness in who we are, what we believe, and what kind of story we are writing, will we be able to act bravely for the sake of justice and humanity – to approach our f*cked-up world with the grounded courage it asks of us.” With her trademark irreverent humor and empowering affirmations, Millenneagram reframes the classic Enneagram types with a fresh perspective and new names that cut right to the chase: #1 The Machine “I’m an Enneagram 1 and I Can Fix This!” #2 The Parent “I’m an Enneagram 2 and Can I Get You a Refill?” #3 The Winner “I’m an Enneagram 3 and All I Do Is Win.” #4 The Tortured
Artist “I’m an Enneagram 4 and I’m Deeper Than You.” #5 The Detective “I’m an Enneagram 5 and I Read an Article About That.” #6 The Oracle “I’m an Enneagram 6 and I’m Loyal as Fuck.” #7 The Party “I’m an Enneagram 7 so This Might Be Vodka In My Mug.” #8 The Dragon “I’m an Enneagram 8 so Nice Try, Bitch.” #9 The Wallflower “I’m an Enneagram 9 so Let’s Just All Chill Out, Dude.” A powerful tool for self-discovery (that doesn’t take itself too seriously), Millenneagram is an invitation for introspection and growth. Hannah’s revamped Enneagram goes beyond simply identifying with a type: it gives us permission to be our truest, enough-as-is, bad-ass selves.

**Personality Types**
1996 Don Richard Riso “The Enneagram is an extraordinary framework for understanding more about ourselves. No matter from which point of view we approach ourselves. No matter from which point of view we approach it, we discover fresh conjunctions of new and old ideas.”--Don Risco

**The 9 Ways of Working**
1999-04-22 Michael J. Goldberg The Enneagram -- a system based on nine personality types -- is a uniquely powerful approach to understanding why people behave the way they do. The 9 Ways of Working teaches how to recognize the personality types of everyone you work with -- colleagues, clients, consultants, and the boss -- and use that information to understand how those people manage, make decisions, resolve or create conflicts, and more.

**Kokology 2**
2002-06-15 Tadahiko Nagao Kokology 2 offers all-new insights into the surprising real you. Kokology, the popular Japanese pop-psych quiz game, is now an American bestseller, and Kokology 2 offers more than 50 all-new quizzes, perfect for beginners and experienced kokologists alike. Kokology, the study of kokoro ("mind" or "spirit" in Japanese), asks you to answer questions about seemingly innocent topics -- such as which is the cleanest room in an imaginary house? -- and then reveals what your answers say about you. Play it alone as a quest of self-discovery, or play with friends, if you dare!

**Opportunity Personality Types Using The Enneagram For Self Discovery Don Richard Riso:** The second accountancy career that you may be able to land is serving as a public accountant. If you’re already a CPA, you can serve the general public. You will be called a public accountant once there is already the so-called practitioner-client connection or relationship. Even those accountants who are not yet certified can already practice their profession. Oftentimes, CPAs join partnerships and they have a wide scope of clientele from the local area to the national and even international clients at times.

Being a government accountant is another career. In this profession, you will be working for the government, whether local, state, or federal. The accounting methods used conventionally are also used in government accounting. You will make use of the method called double-entry systems and you will be using journals as well as ledgers. If you’re a government accountant, you will be focusing more in rendering service. Government units are not very particular with profits because they are put up to serve the public.

Fiduciary accounting is another type of accountancy careers. Here, accounting relies on trust. Executors, administrators, trustees, or any other person who is trustworthy can do fiduciary accounting. A fiduciary accountant keeps important records and he also prepares certain reports. The courts can authorize these fiduciary accountants to carry out their tasks.

How Acupuncture Induces Weight Loss
Most acupuncturists will target the spots behind the ear when it comes to promoting weight loss. When these points behind the ear are stimulated, endorphins are released in large doses. Endorphins are called the feel-good hormones, and these are also often referred to as natural pain and fever relievers. The release of endorphins is what makes you feel better after an increased level of physical activity, as in the case of a good workout.

These bodily compounds allow the patient to experience better relaxation, thus considerably alleviating stress. There is a greater possibility of enhanced weight loss when the patient has already achieved emotional wellness. Endorphins are also released whenever the body experiences low levels of bodily pain, thus their moniker as a natural pain reliever.

An ad that enlarges and changes the contents of the page being displayed is known as expanding ad. Advertisements which are displayed in a video form on a website is known as a video ad. There are many ways by which advertising slots can be purchased on Internet like CPM, CPV, CPC, CPA, CPL and CPO. CPM or cost per mil means that the advertiser is meant to pay for a particular number of people to whom the advertisement will be exposed. CPV or cost per visitor means that the advertiser is meant to pay for the people to whom the advertisement was delivered. CPC or cost per click means paying for the number of clicks made on the advertisement by the visitors. Although the advertisement is put up on the website, the amount is paid only after the visitor clicks on the URL of the advertisement. CPA or cost per action means that the advertisement publisher bares all the charges of advertisement, but he gets paid only if the visitor clicks on the advertisement and purchases a product or signs-up for a service. CPL or cost per lead is similar to CPA, only that the visitor doesn’t have to necessarily buy anything; he or she can simply apply to get regular newsletters and special offers. CPO or cost per order is where the advertiser pays each time an order is placed. Online advertisements cannot only be used to promote a product or service but in fact they can be used for purposes like promoting charity and spreading education.

After school activities that are managed professionally by people who are successful in their own fields of expertise will produce children who are more enthusiastic and successful. Meaningful interaction with adults is a learning experience in itself.

After school activities for the overweight

Research and studies show that our children are growing faster by the day. Many families all over America are struggling to keep the weight of their children within reasonable limits. As a parent, I know that its nearly impossible for me to look into the tear-filled eyes of my son and refuse food.

So, whats the alternative? Studies show that the number one reason for obesity in children is not junk food and colas. Its actually TV. Children tend to plop themselves on the sofa and munch away happily when they are in front of the TV sets. But, once the set is off, their natural buoyancy will lead the children to do stuff and to move their body. They will then be diverted from eating.

What is acupuncture?

Acupuncture has surged in popularity for the last few decades as brought on by the recent health trend. Mostly known as a traditional Chinese medical technique, acupuncture is seen as a homeopathic method of treatment. While alternative medicine does raise a lot of eyebrows for the scientifically-inclined, it does merit attention before being dismissed as a quack cure.

Basic Procedure

Basically, needles are inserted into the skin, each corresponding to one of the numerous pressure points located throughout the body. According to Traditional Chinese Medicine, by inserting a needle into the pressure point, an acupuncturist can manipulate the flow of chi or life force, thus relieving pain and gradually treating the patient. While most would say that the whole chi thing is a bunch of nonsense, science has
suggested that with the needles inserted, the body's natural painkillers called endorphins are released, thus helping with pain relief.

The Best Personality Types Using The Enneagram For Self Discovery Don Richard Riso—As you can see accounting or accountancy careers can provide you with a lot of opportunities as an accountant.

Aside from the tasks mentioned earlier, controllers also take charge in budgeting and financial planning. Businesses, big or small, need accountants. However, in the case of very small businesses, owners can do the accounting tasks. Bigger or larger businesses need accounting personnel to handle all the accounting works. As the business expands, it needs to hire additional employees. It is also the task of the accountant to determine if the company can afford to hire additional employees without negatively affecting the growth of profits.

Accounting involves a lot of paperwork. Professional accountants need to prepare tax returns which are very much complicated than income tax returns of individuals. The chief accountant of the company is also responsible for setting broad objectives for the company's growth and development. Their aim is to gain more profits because this will be the proof for the success of the business.

Life Lessons from Personality Types Using The Enneagram For Self Discovery Don Richard Riso—Precautions should not only be taken indoors, but outdoors too. This is because; more than forty thousand people get eye injuries outdoors. Ninety-nine percent of the injuries are caused while playing sports. So it is necessary for the youngsters to wear protective eyewear while playing sports or when involved in outdoor recreational activities. A special helmet is designed with wire shield or polycarbonate face mask which is not only safe, but comfortable, too. Protective eyewear should also be worn while performing experiments in science lab. Fireworks must only be handled by adults.

Because of increasing use of computers, more and more youngsters are getting eye strains. The symptoms of eye strain caused by computer are red & watery eyes, focusing problems, aching & tired eyelids, eye muscle spasm, backache and headache. In such an environment, eye exercise must be done regularly. The eyes must be made to focus on distant objects and should be rotated from side to side. It is extremely important to give ample rest to the eyes. Glasses with UV shield must be worn when looking at the computer screen. Eye strain can be avoided by increasing the distance from the monitor.

Eye hazards are also caused when cosmetics are used improperly by contact lens wearers. Some of the adverse reactions are injury, eye irritation, allergy, dryness, infection, and lens deposition. That is the reason why adolescents must be made aware of the risk they will face when opting for contact lens. Girls should understand that they should buy hypoallergenic cosmetics and especially the non-scented variety, manufactured by big brand names. Cosmetics should not be shared with anything else. The applicator brushes must be washed regularly and old mascara must be disposed and not refilled. Eye shadows which are glittery, pearlized, frosted or iridescent contain ground tinsel or oyster shell, which should be always avoided. Eyeliner should not be applied in the inner lid edge. Loose powder should be avoided. Cream should not be applied near the eyes. The wearer should wash hands while handling contact lens. No crying, washing of face or bathing should be done with the contact lens on.

The best part about acupuncture is that there are no harmful side effects and no chance for an addiction to occur. The patient will have to come back for regular treatment and have to pay attention to one’s diet and exercise regularly as needles can only do so much to control one’s weight.
The number of treatments for someone who is overweight varies depending on how many pounds they want to lose, the speed at which they want to lose it and their commitment to sticking to the plan. The average patient on the other hand who wants to lose 5 to 10 pounds will have to come for treatment every three days or twice a week then once this is attained, once every two weeks. It is up to the person until when the treatment will be done which shows that acupuncture can help you lose weight.

One way is called the multi-targeted approach which is designed to lower the body’s weight by increasing the output of the pituitary gland. The areas where the needles will be inserted will be in the ear and in two of three body points. These areas could also include the mouth, the stomach, the lung, the endocrine, the spleen, kidney or thyroid. During the initial treatment, the “Four Gate” points would be used to circulate energy throughout the entire body. It is also possible that electro simulation will also be done to increase endorphin release and stimulate metabolism.

Acupuncture and Autism
Studies have shown that there is an increase in the number of children that have been diagnosed with autism. Until now, doctors have not yet found a cure to this illness which is why some parents want to experiment with alternative forms of treatment and one example is acupuncture. Acupuncture is a holistic approach in treating and preventing certain diseases. Its main tool are very thin needles that are inserted to targeted points in the body. The body has about 400 of them linked through a system known as meridians or pathways. Once these are stimulated, these are supposed to create balance in the body.

Autism on the other hand is a brain disorder that is long term. This disease is characterized by deficits in language, social communication and cognition. Children who are diagnosed with this illness may also suffer from secondary problems such as aggression, irritability, stereotypes, hyperactivity, negativism, volatile emotions, temper tantrums, short attention span and obsessive-compulsive behavior.

example Personality Types Using The Enneagram For Self Discovery Don Richard Riso...Aside from the usual reasons for which one would choose to adopt, there are a couple of reasons why international adoption specifically may be a preference. One reason can be benevolence. The major countries from which children are adopted into the United States all have glaring social problems which drive the international adoption process. China, for example, has strict population control laws which often force Chinese parents to give their children (especially girls) up for adoption. Russia suffers from poverty to such an extent that raising a child is often not feasible. Americans who adopt children from these environments and others like them may decide that they wish to rescue a child from such circumstances and bring him or her into the home.

A second-- and perhaps more substantial-- reason for international adoption is the decline in availability of children for adoption in the United States. The number of adoptions which were conducted transnationally has more than tripled in the last 15 years, due largely to a decrease in potential adoptees available domestically.

The potential benefits to the adopted child are fairly obvious. She is raised in a nurturing home by people who wanted the child so badly that
they went to great lengths and expense to adopt her. In nearly all cases, the child moves up in socioeconomic class after being adopted. The child may also experience educational opportunities which may not have otherwise been available. While these benefits may be obvious, there are more complex and perhaps more obscure impacts on the societies and cultures involved at both ends of the adoption process.

Once your home study has been accepted you will start to get referrals with pictures and medical information. When you have decided on a referral you can gather and compile your dossier. The dossier will be sent to the Vietnamese authorities to be looked over. Once the dossier has been approved by the Vietnamese authorities you will be able to go to Vietnam to pick up your child. Only one parent is required to travel but it is recommended that both parents travel to see the country. Your stay in Vietnam will usually be anywhere from ten to fourteen days. While in Vietnam it is recommended that you indulge your senses and go on several different sight seeing trips. The total cost including agency fees, visas and embassy fees, foreign fees, courier fees, home study fees, documentation fees, hotels, and plane tickets, is usually around $25,000.00 to $30,000.00.

Religious beliefs in Vietnam are different as they are here. Buddhism seems to be the largest religion in Vietnam. But the Vietnamese also believe in Islam, Christianity, Confucianism, and Taoism. Their main food source is rice. The Vietnamese are extremely good at preparing vegetarian meals. Vietnam is a very mountainous country.

Interest in Vietnam adoptions have seemed to soar since they have opened back up in 2006. America is a melting pot of different cultures and races. Unfortunately people have an issue understanding that this is how it all started. This is how American came to be what it is today. By having Americans adopt from Vietnam shows people that race does not matter and that our cultures mixing together make this world a better place.

Times are changing and parents want their children to excel in academics as well as in other activities. This may be a reflection of the parents unfulfilled desire to excel - a remnant from his own childhood. Whatever the reason, parents today encourage their children to enroll themselves in various programs and develop the various facets of their individuality. Children too seem to be comfortable learning many things at the same time, and gain satisfaction from this.

**Over-scheduling kids**

Several studies are expressing a growing concern that after school programs are pressurizing kids to do too much too soon. They point out that when a child's afternoon is filled with classes, trips, sports and other forms of organized activities, kids do not really get the time to be just kids. They are even being deprived of the cherished family time. Undoubtedly, there are children who are being burdened with a schedule that places too much demand on their time. This leads to increased levels of stress on the child and the family. As regular studies cannot be ignored, children are almost always on the run to achieve more. Such children are really bearing a burden that is too heavy for their frail little shoulders.

In an ideal world, all children would go home directly after school to loving and caring parents who are waiting for the children to come home. But the social and economic realities show that many children have to attend after school courses because there is no one available at home. For such children, these classes are a boon.
Parents should however restrain themselves from reading too much into these activities. After school programs are complimentary in nature. They give additional support. Therefore, their importance should also be limited.

Keeping children motivated
Initial enthusiasm in after school activities tends to wane after the first excitement is over. This is but natural. The trick is to keep up the hard work even after this. How do you keep your child motivated? This is of particular importance when the child goes in for educational after school programs.
Make the career-academics connection early on:
Let your child understand how important studies are. Let him know that an excellent career is wholly dependent on wholesome learning. To develop his interest in studies, plan family activities that are connected with his studies. Emphasize the real-world connection to academics whenever possible.
Set goals:
Let your child know, through example, that hard work will be rewarded. If your child believes that achievement is a natural by-product of effort, he is more likely to put in hard work. Such children are also less likely to drop out of programs and college at a later stage.

Low Cost Advertising
There is no better advertisement campaign that is low cost and also successful at the same time. Great business ideas when utilized effectively can save lots of money. This is not only easy for those who work full-time as an advertiser, but also for those who work from home. Advertising from home is also a low cost option, which involves making and distributing fliers. Usually potential customers will visit home for business dealing. Print good amount of fliers and give it to anyone who is visiting home like family, friends, mailman, etc. Business cards can also be distributed. Few selected people can be given sample of the product. For those who work outside home, employ college students to distribute fliers at supermarkets, community centers, or malls, especially on weekends, when there is a rush.
Spread the word by the mouth. Talk to everyone about the product and ask them to talk about it to others. It’s a very powerful tool to increase the network and doesn’t even cost anything. When receiving a casual call from family members and friends, don’t forget to tell them about the latest events, discounts and promotions and ask them about what they are up to. If the parties are into the business, it won’t hurt to promote each other. Joint ventures can be started with trustable people of the same trade. The only cost that will be incurred during the whole process is of printing fliers. For a better quality, professional can be hired to design them, as they will be able to play with colors and write motivating material.

Companies can receive excellent discounts on air ambulance service coverage costs for groups of employees. The cost can be covered exclusively by the employer, or paid partially by the employer and shared with the employee. Air ambulance service coverage plans are not only affordable, but a fabulous benefit for business travelers. Most coverage plans require that the plan only be utilized when the patient is 150 miles away from home. If the company has numerous employees that travel from state to state or around the globe on business, then this just may be a benefit that should be added to the company’s roster. A medical emergency can’t be planned. No one heads off on a business trip and expects to become ill or injured, but in reality, this may be the case. Should such a circumstance arise while an employee is away on business, it is important that they be able to return home as quickly as possible.
