

# Rita Hayworth And The Shawshank Redemption Whalen

**Matthew Reilly**

**The Many Facets of Stephen King** Michael R. Collings,1985-01-01 A study of King's fiction, including a chapter on criticism and a chronology of King's works.

Stephen King Albert Rolls,2008-12-30 Now known worldwide for his horror creations in best-selling books and popular film adaptations, Stephen King spent years in obscurity trying to find his voice and his audience. For much of his career he chose to remain in the small-town Maine of his youth, far from glittering publishing and film centers, yet few American writers can now equal his hold on audiences worldwide. This biography traces King's evolution from would-be pulp magazine writer to master of his craft, whose work both epitomizes and transcends the horror genre.

**Stephen King** Rocky Wood,2017-02-10 This companion provides a two-part introduction to best-selling author Stephen King, whose enormous popularity over the years has gained him an audience well beyond readers of horror fiction, the genre with which he is most often associated. Part I considers the reception of King's work, the film adaptations that they gave rise to, the fictional worlds in which some of his novels are set, and the more useful approaches to King's varied corpus. Part II consists of entries for each series, novel, story, screenplay and even poem, including works never published or produced, as well as characters and settings.

**Gale Biography Presents: Literary Figures** Gale, Cengage Learning,2018-08-15 Gale Biography Presents contains content derived from the Encyclopedia of World Biography, a reference title providing biographical information on individuals who have made a lasting contribution to society. Each eBook contains authoritative content covering a broad range of people who have made their mark on the world we live in today. Whether through the written word, science, history, activism, or politics, these individuals have contributed to society and have reputations that stand the test of time. These women and men from around the world have risen above the ordinary and earned a place in the annals of human history. Their life stories will fascinate people of all ages.

Reference Guide to American Literature Thomas Riggs,2000 Concise discussions of the lives and principal works of American writers, thinkers, and cultural figures, written by subject experts.

**Stephen King** Joseph Reino,1988 A critical examination of King's horror novels.

**Reference Guide to American Literature** Jim Kamp,1994 Concise discussions of the lives and principal works of

American writers, thinkers, and cultural figures, written by subject experts.

*The Shape Under the Sheet* Stephen J. Spignesi,1991 This reference source on Stephen King's fiction provides details about characters, places and objects in each of King's novels and short stories and includes a biography section, interviews with family, friends and contemporaries, and sections on film adaptations and audio versions of his work.

**St. James Guide to Horror, Ghost & Gothic Writers** David Pringle,1998 As a companion volume to St. James Guide to Fantasy Writers, this volume concentrates on those types of fiction which may be labelled as horror novels, dark fantasies, ghost stories, gothic novels, tales of terror, supernatural fictions, occult fantasies, black-magic stories, psychological thrillers, tales of unease, grand-guignol shockers, creepy stories, shudder-pulp fictions, contes cruels, uncanny stories, macabre fictions and weird tales.--Editor's note, p. ix.

Boston register ,1840

*The Film Book* Ronald Bergan,2021 Story of cinema -- How movies are made -- Movie genres -- World cinema -- A-Z directors -- Must-see movies.

*Widow's Point* Richard T. Chizmar,Billy Chizmar,2018-02-28 Longtime residents of Harper's Cove believe that something is wrong with the Widow's Point Lighthouse. Some say it's cursed. Others claim it's haunted. Originally built in 1838, three workers were killed during the lighthouse's construction, including one who mysteriously plunged to his death from the catwalk. That tragic accident was never explained, and it was just the beginning of the terror. In the decades that followed, nearly two dozen additional deaths occurred in or around the lighthouse including cold-blooded murder, suicide, unexplained accidents and disappearances, the slaughter of an entire family, and the inexplicable death of a Hollywood starlet who was filming a movie on the grounds. The lighthouse was finally shuttered tight in 1988 and a security fence was erected around the property. No one has been inside since. Until tonight. Thomas Livingston is the acclaimed author of thirteen books about the supernatural and this evening he will enter the Widow's Point Lighthouse, searching for material for his next bestseller. He will be locked inside for the weekend with no way of contacting the outside world. And although no human has stepped foot inside the structure in nearly three decades, Livingston will not be alone.

Cinematography: Theory and Practice Blain Brown,2013-05-02 There's more to being a DP than holdng a light meter! With this book as your guide, you are on your way to learning not only about the equipment and technology, but also about the concepts and thought processes that will enable you to shoot professionally, efficiently, and with artistic mastery. A leading book in the field, Cinematography has been translated into many languages and is a staple at the world's top film schools. Lavishly produced and illustrated, it covers the entire range of the profession. The book is not just a comprehensive guide to current professional practice; it goes beyond to explain the theory behind the practice, so you understand how the rules came about and when it's appropriate to break them. In addition, directors will benefit from the book's focus on the

body of knowledge they should share with their Director of Photography. Cinematography presents the basics and beyond, employing clear explanations of standard practice together with substantial illustrations and diagrams to reveal the real world of film production. Recognizing that professionals know when to break the rules and when to abide by them, this book discusses many examples of fresh ideas and experiments in cinematography. Covering the most up-to-date information on the film/digital interface, new formats, the latest cranes and camera support and other equipment, it also illustrates the classic tried and true methods.

**Secondhand Souls** Christopher Moore, 2015-08-25 In San Francisco, the souls of the dead are mysteriously disappearing—and you know that can't be good—in New York Times bestselling author Christopher Moore's delightfully funny sequel to *A Dirty Job*. Something really strange is happening in the City by the Bay. People are dying, but their souls are not being collected. Someone—or something—is stealing them and no one knows where they are going, or why, but it has something to do with that big orange bridge. Death Merchant Charlie Asher is just as flummoxed as everyone else. He's trapped in the body of a fourteen-inch-tall "meat puppet" waiting for his Buddhist nun girlfriend, Audrey, to find him a suitable new body to play host. To get to the bottom of this abomination, a motley crew of heroes will band together: the seven-foot-tall death merchant Minty Fresh; retired policeman turned bookseller Alphonse Rivera; the Emperor of San Francisco and his dogs, Bummer and Lazarus; and Lily, the former Goth girl. Now if only they can get little Sophie to stop babbling about the coming battle for the very soul of humankind . . .

**Andy's Secret Weapon** James O'Loghlin, 2004 Andy hates playing soccer more than anything in the world. He hates it so much, in fact, he'd rather do ANYTHING else except maths. He tries pretending to be sick, but after weeks of putting on a show, his mums on to him. And he hasn't got the guts to tell her how he really feels. Every week he makes a fool of himself, and his teammates make fun of him. Then one day, after yet another embarrassing episode, the coach takes Andy out of the game for a substitution. Andy doesn't know it, but he's about to discover what he's really good at. And so are his teammates. Another hilarious tale in the *Hotshots* series.

**Temple** Matthew Reilly, 2007-04-01 A blockbuster thriller from bestselling author Matthew Reilly. Four centuries ago, a precious idol was hidden in the jungles of Peru. To the Incan people, it is still the ultimate symbol of their spirit. To William Race, an American linguist enlisted by the U.S. Army to decipher the clues to its location, it's the ultimate symbol of the apocalypse... Carved from a rare stone not found on Earth, the idol possesses elements more destructive than any nuclear bomb--a virtual planet killer. In the wrong hands it could mean the end of mankind. And whoever possesses the idol, possesses the unfathomable--and cataclysmic--power of the gods... Now, in the foothills of the Andes, Race's team has arrived--but they're not alone. And soon they'll discover that to penetrate the temple of the idol is to break the first rule of survival. Because some treasures are meant to stay buried..and forces are ready to kill to keep it that way...

**True Indie** Don Coscarelli,2018-10-02 From Don Coscarelli, the celebrated filmmaker behind many cherished cult classics comes a memoir that's both revealing autobiography and indie film crash course. Best known for his horror/sci-fi/fantasy films including *Phantasm*, *The Beastmaster*, *Bubba Ho-tep* and *John Dies at the End*, now Don Coscarelli's taking you on a white-knuckle ride through the rough and tumble world of indie film. Join Coscarelli as he sells his first feature film to Universal Pictures and gets his own office on the studio lot while still in his teens. Travel with him as he chaperones three out-of-control child actors as they barnstorm Japan, almost drowns actress Catherine Keener in her first film role, and transforms a short story about Elvis Presley battling a four thousand year-old Egyptian mummy into a beloved cult classic film. Witness the incredible cast of characters he meets along the way from heavy metal god Ronnie James Dio to first-time filmmakers Quentin Tarantino and Roger Avary. Learn how breaking bread with genre icons Tobe Hooper, John Carpenter and Guillermo Del Toro leads to a major cable series and watch as he and zombie king George A. Romero together take over an unprepared national network television show with their tales of blood and horror. This memoir fits an entire film school education into a single book. It's loaded with behind-the-scenes stories: like setting his face on fire during the making of *Phantasm*, hearing Bruce Campbell's most important question before agreeing to star in *Bubba Ho-tep*, and crafting a horror thriller into a franchise phenomenon spanning four decades. Find out how Coscarelli managed to retain creative and financial control of his artistic works in an industry ruled by power-hungry predators, and all without going insane or bankrupt. *True Indie* will prove indispensable for fans of Coscarelli's movies, aspiring filmmakers, and anyone who loves a story of an underdog who prevails while not betraying what he believes.

*Thief of Souls* Neal Shusterman,2013-05-07 A group of monumentally powerful teens must face an ancient, soul-eating foe in this second book of *The Star Shards Chronicles*. A cataclysmic explosion has given earthly teens astronomical powers—when the star Mentarsus-H went supernova at their conceptions, the teens absorbed the shattered soul of the star and inherited unimaginable abilities. Now the *Star Shards* have become like gods, drunk on their own power—and ripe for manipulation by *The Bringer*, a creature who would turn them against one another and transform the planet into his own personal feeding ground. But who is more dangerous: *The Bringer* or the *Star Shards*? Acclaimed author Neal Shusterman presents “a story which is grippingly unexpected” (*The Bookwatch*) that sets the stage for the riveting conclusion to *The Star Shards* trilogy. Originally published by Tor Fantasy in 1999.

*Il Morandini* Laura Morandini,Luisa Morandini,Morando Morandini,2006

**The Bladerunner** Alan E Nourse,2013-04-12 Billy Gimp was a bladerunner . . . one of the shadowy procurers of illegal medical supplies for the rapidly expanding, nightmare world of the medical black market. Doc was a skilled surgeon at a government-operated hospital by day . . . and an underground physician by night, providing health care for the multitudes who could not - or would not - qualify for legal medical assistance. Trapped by Health Control Police, Billy Gimp knew he had

to warn Doc that they were closing in on him. But something even more deadly than the law had already made its first move . . . a new plague that Health Control could not handle!
